loan fund shall be program income and treated accordingly.)

(c) *Subrecipient* means a public or private nonprofit agency, authority, or organization, or a for-profit entity authorized under § 570.201(o), receiving CDBG funds from the recipient or another subrecipient to undertake activities eligible for such assistance under subpart C of this part. The term excludes an entity receiving CDBG funds from the recipient under the authority of § 570.204, unless the grantee explicitly designates it as a subrecipient. The term includes a public agency designated by a unit of general local government to receive a loan guarantee under subpart M of this part, but does not include contractors providing supplies, equipment, construction, or services subject to the procurement requirements in 24 CFR 85.36 or 84.40, as applicable.

§ 570.501 Responsibility for grant administration.

(a) One or more public agencies, including existing local public agencies, may be designated by the chief executive officer of the recipient to undertake activities assisted by this part. A public agency so designated shall be subject to the same requirements as are applicable to subrecipients.

(b) The recipient is responsible for ensuring that CDBG funds are used in accordance with all program requirements. The use of designated public agencies, subrecipients, or contractors does not relieve the recipient of this responsibility. The recipient is also responsible for determining the adequacy of performance under subrecipient agreements and procurement contracts, and for taking appropriate action when performance problems arise, such as the actions described in § 570.910. Where a unit of general local government is participating with, or as part of, an urban county, or as part of a metropolitan city, the recipient is responsible for applying to the unit of general local government the same requirements as are applicable to subrecipients, except that the five-year pe-
