

(f) *Termination for cause.* In cases in which the Secretary terminates the recipient's grant under the authority of subpart O of this part, or under the terms of the grant agreement, the closeout policies contained in this section shall apply, except where the approved grant is cancelled in its entirety. The provisions in 24 CFR 85.43(c) on the effects of termination shall also apply. HUD shall determine whether an environmental assessment or finding of inapplicability is required, and if such review is required, HUD shall perform it in accordance with 24 CFR part 50.

**§ 570.510 Transferring projects from urban counties to metropolitan cities.**

Section 106(c)(3) of the Act authorizes the Secretary to transfer unobligated grant funds from an urban county to a new metropolitan city, provided: the city was an included unit of general local government in the urban county immediately before its qualification as a metropolitan city; the funds to be transferred were received by the county before the qualification of the city as a metropolitan city; the funds to be transferred had been programmed by the urban county for use in the city before such qualification; and the city and county agree to transfer responsibility for the administration of the funds being transferred from the county's letter of credit to the city's letter of credit. The following rules apply to the transfer of responsibility for an activity from an urban county to the new metropolitan city.

(a) The urban county and the metropolitan city must execute a legally binding agreement which shall specify:

(1) The amount of funds to be transferred from the urban county's letter of credit to the metropolitan city's letter of credit;

(2) The activities to be carried out by the city with the funds being transferred;

(3) The county's responsibility for all expenditures and unliquidated obligations associated with the activities before the time of transfer, including a statement that responsibility for all

audit and monitoring findings associated with those expenditures and obligations shall remain with the county;

(4) The responsibility of the metropolitan city for all other audit and monitoring findings;

(5) How program income (if any) from the activities specified shall be divided between the metropolitan city and the urban county; and

(6) Such other provisions as may be required by HUD.

(b) Upon receipt of a request for the transfer of funds from an urban county to a metropolitan city and a copy of the executed agreement, HUD, in consultation with the Department of the Treasury, shall establish a date upon which the funds shall be transferred from the letter of credit of the urban county to the letter of credit of the metropolitan city, and shall take all necessary actions to effect the requested transfer of funds.

(c) HUD shall notify the metropolitan city and urban county of any special audit and monitoring rules which apply to the transferred funds when the date of the transfer is communicated to the city and the county.

**§ 570.511 Use of escrow accounts for rehabilitation of privately owned residential property.**

(a) *Limitations.* A recipient may withdraw funds from its letter of credit for immediate deposit into an escrow account for use in funding loans and grants for the rehabilitation of privately owned residential property under § 570.202(a)(1). The following additional limitations apply to the use of escrow accounts for residential rehabilitation loans and grants closed after September 7, 1990:

(1) The use of escrow accounts under this section is limited to loans and grants for the rehabilitation of primarily residential properties containing no more than four dwelling units (and accessory neighborhood-scale non-residential space within the same structure, if any, e.g., a store front below a dwelling unit).

(2) An escrow account shall not be used unless the contract between the property owner and the contractor selected to do the rehabilitation work specifically provides that payment to

the contractor shall be made through an escrow account maintained by the recipient, by a subrecipient as defined in § 570.500(c), by a public agency designated under § 570.501(a), or by an agent under a procurement contract governed by the requirements of 24 CFR 85.36. No deposit to the escrow account shall be made until after the contract has been executed between the property owner and the rehabilitation contractor.

(3) All funds withdrawn under this section shall be deposited into one interest earning account with a financial institution. Separate bank accounts shall not be established for individual loans and grants.

(4) The amount of funds deposited into an escrow account shall be limited to the amount expected to be disbursed within 10 working days from the date of deposit. If the escrow account, for whatever reason, at any time contains funds exceeding 10 days cash needs, the grantee immediately shall transfer the excess funds to its program account. In the program account, the excess funds shall be treated as funds erroneously drawn in accordance with the requirements of U.S. Treasury Financial Manual, paragraph 6-2075.30.

(5) Funds deposited into an escrow account shall be used only to pay the actual costs of rehabilitation incurred by the owner under the contract with a private contractor. Other eligible costs related to the rehabilitation loan or grant, *e.g.*, the recipient's administrative costs under § 570.206 or rehabilitation services costs under § 570.202(b)(9), are not permissible uses of escrowed funds. Such other eligible rehabilitation costs shall be paid under normal CDBG payment procedures (*e.g.*, from withdrawals of grant funds under the recipient's letter of credit with the Treasury).

(b) *Interest.* Interest earned on escrow accounts established in accordance with this section, less any service charges for the account, shall be remitted to HUD at least quarterly but not more frequently than monthly. Interest earned on escrow accounts is not required to be remitted to HUD to the extent the interest is attributable to the investment of program income.

(c) *Remedies for noncompliance.* If HUD determines that a recipient has failed

to use an escrow account in accordance with this section, HUD may, in addition to imposing any other sanctions provided for under this part, require the recipient to discontinue the use of escrow accounts, in whole or in part.

#### § 570.512 [Reserved]

#### § 570.513 Lump sum drawdown for financing of property rehabilitation activities.

Subject to the conditions prescribed in this section, recipients may draw funds from the letter of credit in a lump sum to establish a rehabilitation fund in one or more private financial institutions for the purpose of financing the rehabilitation of privately owned properties. The fund may be used in conjunction with various rehabilitation financing techniques, including loans, interest subsidies, loan guarantees, loan reserves, or such other uses as may be approved by HUD consistent with the objectives of this section. The fund may also be used for making grants, but only for the purpose of leveraging non-CDBG funds for the rehabilitation of the same property.

(a) *Limitation on drawdown of grant funds.* (1) The funds that a recipient deposits to a rehabilitation fund shall not exceed the grant amount that the recipient reasonably expects will be required, together with anticipated program income from interest and loan repayments, for the rehabilitation activities during the period specified in the agreement to undertake activities, based on either:

(i) Prior level of rehabilitation activity; or

(ii) Rehabilitation staffing and management capacity during the period specified in the agreement to undertake activities.

(2) No grant funds may be deposited under this section solely for the purpose of investment, notwithstanding that the interest or other income is to be used for the rehabilitation activities.

(3) The recipient's rehabilitation program administrative costs and the administrative costs of the financial institution may not be funded through
