

or construction (reconstruction or installation) of water or sewer facilities. Such facilities include storm sewers as well as all sanitary sewers, but do not include water and sewer lines connecting a structure to the lines in the public right-of-way or easement. It is the responsibility of the grantee to initiate the Executive Order review process if it proposes to use its CDBG or UDAG funds for activities subject to review.

§ 570.613 Eligibility restrictions for certain resident aliens.

(a) *Restriction.* Certain newly legalized aliens, as described in 24 CFR part 49, are not eligible to apply for benefits under covered activities funded by the programs listed in paragraph (e) of this section. "Benefits" under this section means financial assistance, public services, jobs and access to new or rehabilitated housing and other facilities made available under covered activities funded by programs listed in paragraph (e) of this section. "Benefits" do not include relocation services and payments to which displacees are entitled by law.

(b) *Covered activities.* "Covered activities" under this section means activities meeting the requirements of § 570.208(a) that either:

(1) Have income eligibility requirements limiting the benefits exclusively to low and moderate income persons; or

(2) Are targeted geographically or otherwise to primarily benefit low and moderate income persons (excluding activities serving the public at large, such as sewers, roads, sidewalks, and parks), and that provide benefits to persons on the basis of an application.

(c) *Limitation on coverage.* The restrictions under this section apply only to applicants for new benefits not being received by covered resident aliens as of the effective date of this section.

(d) *Compliance.* Compliance can be accomplished by obtaining certification as provided in 24 CFR 49.20.

(e) *Programs affected.* (1) The Community Development Block Grant program for small cities, administered under subpart F of part 570 of this title until closeout of the recipient's grant.

(2) The Community Development Block Grant program for entitlement

grants, administered under subpart D of part 570 of this title.

(3) The Community Development Block Grant program for States, administered under subpart I of part 570 of this title until closeout of the unit of general local government's grant by the State.

(4) The Urban Development Action Grants program, administered under subpart G of part 570 of this title until closeout of the recipient's grant.

[55 FR 18494, May 2, 1990]

§ 570.614 Architectural Barriers Act and the Americans with Disabilities Act.

(a) The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that insure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed, or altered with funds allocated or reallocated under this part after December 11, 1995, and that meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

(b) The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services, and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable
