(b) *Actions authorized.* The following lists the actions that HUD may take in response to a deficiency identified during the review of a recipient's performance:

(1) Issue a letter of warning advising the recipient of the deficiency and putting the recipient on notice that additional action will be taken if the deficiency is not corrected or is repeated;

(2) Recommend, or request the recipient to submit, proposals for corrective actions, including the correction or removal of the causes of the deficiency, through such actions as:

(i) Preparing and following a schedule of actions for carrying out the affected CDBG activities, consisting of schedules, timetables and milestones necessary to implement the affected CDBG activities;

(3) Advise the recipient that a certification will no longer be acceptable and that additional assurances will be required;

(4) Advise the recipient to suspend disbursement of funds for the deficient activity;

(5) Advise the recipient to reimburse its program account or letter of credit in any amounts improperly expended and reprogram the use of the funds in accordance with applicable requirements;

(c) *HUD-administered small cities grants.* Consistent with the procedures described in § 570.900(b), the Secretary may adjust, reduce or withdraw the grant or take other actions as appropriate, except that funds already expended on eligible approved activities shall not be recaptured or deducted from future grants.
