

## § 576.25

set forth in paragraph (a)(1) of this section.

(iii) The rehabilitation, conversion, or renovation of emergency shelters are subject to the requirements of paragraph (b) of this section.

(2) HUD will not require the religious organization to establish the secular organization before the selection of its application. In such a case, the religious organization may apply on behalf of the secular organization. The application will be reviewed on the basis of the religious organization's financial responsibility and capacity, and its commitment to provide appropriate resources to the secular organization after formation. After formation, a secular organization that is not in existence at the time of the application will be required to demonstrate that it meets the definition of private nonprofit organization contained in § 576.3. The obligation of funds will be conditioned upon compliance with these requirements.
