§ 576.59 Relocation and acquisition.

(a) *Minimizing displacement.* Consistent with the other goals and objectives of this part, grantees and recipients must assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(b) *Relocation assistance for displaced persons.* A displaced person (defined in paragraph (f)(1) of this section) must be provided relocation assistance at the levels described in, and in accordance with, 49 CFR part 24, which contains the government-wide regulations implementing the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) (42 U.S.C. 4601-4655).

(c) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(d) *Responsibility of grantees and recipients.* Each grantee and recipient must assure that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section. The cost of assistance required by this section may be paid from local public funds, funds provided in accordance with this part, or funds available from other sources.

(e) *Appeals.* A person who disagrees with the grantee's or recipient's determination concerning a payment or other assistance required by this section may file a written appeal of that determination with the grantee or recipient. The appeal procedures to be followed are described in 49 CFR 24.10.

(f) *Definition—(1) Displaced person.* (i) The term "displaced person" means a person (family, individual, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property,

permanently and involuntarily, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. Permanent, involuntary moves for an assisted project include:

(A) A permanent move from the real property (building or complex) following notice by the grantee, recipient or property owner to move permanently from the property, if the move occurs on or after the date that the grantee or recipient submits to HUD an application for assistance that is later approved and funded;

(B) A permanent move from the real property that occurs before the submission of the application to HUD, if the grantee, recipient or HUD determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the project, or

(C) A permanent move from the real property by a tenant-occupant of a dwelling unit that occurs after the execution of the agreement between the recipient and HUD if:

(1) The tenant has not been provided a reasonable opportunity to lease and occupy a suitable, decent, safe and sanitary dwelling in the same building/complex following the completion of the project at a rent, including estimated average utility costs, that does not exceed the greater of the tenant's rent and estimated average utility costs before the initiation of negotiations, or 30 percent of gross household income; or

(2) The tenant has been required to relocate temporarily but the tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation or other conditions of the temporary relocation are not reasonable, and the tenant does not return to the building/complex; or

(3) The tenant is required to move to another unit in the same building/complex but is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move.

(ii) A person does not qualify as a "displaced person" if:

(A) The person has been evicted for cause based upon a serious or repeated violation of material terms of the lease

§ 576.61

or occupancy agreement and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(B) The person moved into the property after the submission of the application and, before commencing occupancy, received written notice of the expected displacement;

(C) The person is ineligible under 49 CFR 24.2(g)(2); or

(D) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(iii) The grantee or recipient may, at any time, request a HUD determination of whether a displacement is or would be covered under this section.

(2) Initiation of negotiations. For purposes of determining the type of replacement housing payment to be made to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term "initiation of negotiations" means the execution of the agreement between the grantee and HUD.
