

(A) The tenant's monthly rent before the initiation of negotiations and estimated average utility costs, or

(B) 30 percent of gross household income. If the initial rent is at or near the maximum, there must be a reasonable basis for concluding at the time the project is initiated that future rent increases will be modest.

(iv) A tenant of a dwelling who is required to relocate temporarily, but does not return to the building/complex, if either:

(A) A tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, or

(B) Other conditions of the temporary relocation are not reasonable.

(v) A tenant of a dwelling who moves from the building/complex permanently after he or she has been required to move to another unit in the same building/complex, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable.

(2) Notwithstanding the provisions of paragraph (f)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for relocation assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State, or local or tribal law, or other good cause, and HUD determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the application and, before signing a lease and commencing occupancy, was provided written notice of the project, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" (or for any assistance provided under this section), if the project is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The recipient may request, at any time, HUD's determination of whether a displacement is or would be covered under this section.

(g) *Definition of initiation of negotiations.* For purposes of determining the formula for computing the replacement housing assistance to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation, demolition, or acquisition of the real property, the term "initiation of negotiations" means the execution of the agreement between the recipient and HUD, or selection of the project site, if later.

§ 582.340 Other Federal requirements.

In addition to the Federal requirements set forth in 24 CFR part 5, the following requirements apply to this program:

(a) *OMB Circulars.*¹ (1) The policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 apply to the acceptance and use of assistance under the program by governmental entities, and OMB Circular Nos. A-110 (Grants and Cooperative Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations) and 24 CFR part 84 and A-122 (Cost Principles Applicable to Grants, Contracts and Other Agreements with Nonprofit Institutions) apply to the acceptance and use of assistance by private nonprofit organizations, except where inconsistent with provisions of the McKinney Act, other Federal statutes, or this part.

(2) The financial management systems used by recipients under this program must provide for audits in accordance with the provisions of 24 CFR

¹ Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395-7332. (This is not a toll-free number.) There is a limit of two free copies.

part 44. Private nonprofit organizations who are subrecipients are subject to the audit requirements of 24 CFR part 45. HUD may perform or require additional audits as it finds necessary or appropriate.

(b) *Conflict of interest.* (1) In addition to the conflict of interest requirements in 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decisionmaking process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter. Participation by homeless individuals who also are participants under the program in policy or decisionmaking under § 582.300 of this part does not constitute a conflict of interest.

(2) Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b)(1) of this section on a case-by-case basis when it determine that the exception will serve to further the purposes of the program and the effective and efficient administration of the recipient's project. An exception may be considered only after the recipient has provided the following:

(i) For States, units of general local governments, PHAs and IHAs, a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(ii) For all recipients, an opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(3) In determining whether to grant a requested exception after the recipient has satisfactorily met the requirement of paragraph (b)(2) of this section, HUD will consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the project which would otherwise not be available;

(ii) Whether the person affected is a member of a group or class of eligible persons and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iii) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decisionmaking process with respect to the specific assisted activity in question;

(iv) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b)(1) of this section;

(v) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vi) Any other relevant considerations.
