§ 583.145 Matching requirements.

(a) *General.* The recipient must match the funds provided by HUD for grants for acquisition, rehabilitation, and new construction with an equal amount of funds from other sources.

(b) *Cash resources.* The matching funds must be cash resources provided to the project by one or more of the following: the recipient, the Federal government, State and local governments, and private resources.

(c) *Maintenance of effort.* State or local government funds used in the matching contribution are subject to the maintenance of effort requirements described at § 583.150(a).

§ 583.150 Limitations on use of assistance.

(a) *Maintenance of effort.* No assistance provided under this part (or any State or local government funds used to supplement this assistance) may be used to replace State or local funds previously used, or designated for use, to assist homeless persons.

(b) *Primarily religious organizations—*
(1) *Provision of assistance.* (i) HUD will provide assistance to a recipient that is a primarily religious organization if the organization agrees to provide housing and supportive services in a manner that is free from religious influences and in accordance with the following principles:

(A) It will not discriminate against any employee or applicant for employment on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion;

(B) It will not discriminate against any person applying for housing or supportive services on the basis of religion and will not limit such housing or services or give preference to persons on the basis of religion;

(C) It will provide no religious instruction or counseling, conduct no religious worship or services, engage in

no religious proselytizing, and exert no other religious influence in the provision of housing and supportive services.

(ii) HUD will provide assistance to a recipient that is a primarily religious organization if the assistance will not be used by the organization to construct a structure, acquire a structure or to rehabilitate a structure owned by the organization, except as described in paragraph (c)(2) of this section.

(2) *Rehabilitation of structures owned by a primarily religious organization.* Rehabilitation grants may be used to rehabilitate a structure owned by a primarily religious organization, if the following conditions are met:

(i) The structure (or portion of the structure) that is to be rehabilitated with HUD assistance has been leased to a recipient that is an existing or newly established wholly secular organization (which may be established by the primarily religious organization under the provisions of paragraph (c)(3) of this section);

(ii) The HUD assistance is provided to the wholly secular organization (and not the primarily religious organization) to make the improvements;

(iii) The leased structure will be used exclusively for secular purposes available to all persons regardless of religion;

(iv) The lease payments paid to the primarily religious organization do not exceed the fair market rent of the structure before the rehabilitation was done;

(v) The portion of the cost of any improvements that benefit any unleased portion of the structure will be allocated to, and paid for by, the primarily religious organization;

(vi) The primarily religious organization agrees that, if the recipient does not retain the use of the leased premises for wholly secular purposes for the useful life of the improvements, the primarily religious organization will pay an amount equal to the residual value of the improvements to the secular organization, and the secular organization will remit the amount to HUD.

(3) *Assistance to a wholly secular private nonprofit organization established by a primarily religious organization.* (i) A primarily religious organization may

establish a wholly secular private nonprofit organization to serve as a recipient. The wholly secular organization may be eligible to receive other forms of assistance available under this part.

(A) The wholly secular organization must agree to provide housing and supportive services in a manner that is free from religious influences and in accordance with the principles set forth in paragraph (c)(1)(i) of this section.

(B) The wholly secular organization may enter into a contract with the primarily religious organization to operate the supportive housing or to provide supportive services for the residents. In such a case, the primarily religious organization must agree in the contract to carry out its contractual responsibilities in a manner free from religious influences and in accordance with the principles set forth in paragraph (c)(1)(i) of this section.

(C) The rehabilitation grants are subject to the requirements of paragraph (c)(2) of this section.

(ii) HUD will not require the primarily religious organization to establish the wholly secular organization before the selection of its application. In such a case, the primarily religious organization may apply on behalf of the wholly secular organization. The application will be reviewed on the basis of the primarily religious organization's financial responsibility and capacity, and its commitment to provide appropriate resources to the wholly secular organization after formation. The requirement with regard to site control, described in § 583.320, may be satisfied if the primarily religious organization demonstrates site control and a commitment to transfer control of the site to the wholly secular organization after its formation. If such an application is selected for funding, the obligation of funds will be conditioned upon the establishment of a wholly secular organization that meets the definition of private nonprofit organization in § 583.5.

(c) *Participant control of site.* Where an applicant does not propose to have control of a site or sites but rather proposes to assist a homeless family or individual in obtaining a lease, which may include assistance with rent pay-

ments and receiving supportive services, after which time the family or individual remains in the same housing without further assistance under this part, that applicant may not request assistance for acquisition, rehabilitation, or new construction.

Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

However, where an Indian tribe is the applicant for a project that will not be located on a reservation, the requirement for a certification under paragraph (b) of this section will apply.
