#### § 583.230 Environmental review.

(a) *Generally.* Project selection is subject to completion of an environmental review of the proposed site, and the project may be modified or the site rejected as a result of that review. The environmental effects must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (42 U.S.C. 4320) (NEPA) and the related environmental laws and authorities listed in HUD's implementing regulations at 24 CFR part 50 or 58, depending on who is responsible for environmental review.

(b) *Environmental review by HUD.* HUD will perform an environmental review, in accordance with part 50 of this title, before approval of conditionally selected applications received directly from private nonprofit organizations and governmental entities with special or limited purpose powers. Any application subject to environmental review by HUD that requires an Environmental Impact Statement (EIS) in accordance with the procedures in 24 CFR part 50, subpart E, will not be eligible for assistance under this part.

(c) *Environmental review by applicants.* Applicants that are States, metropolitan cities, urban counties, tribes, or other governmental entities with general purpose powers must assume responsibility for environmental review, decisionmaking, and action for each application for assistance in accord-

ance with part 58 of this title. These applicants must include in their applications an assurance that they will assume all the environmental review responsibility that would otherwise be performed by HUD as the responsible Federal official under NEPA and related authorities listed in 24 CFR part 58. The grant award is subject to completion of the environmental responsibilities set out in 24 CFR part 58 within a reasonable time period after notification of the award. Applicants may, however, enclose an environmental certification and Request for Release of Funds with their applications.

McKinney Homeless Assistance Act as in effect before October 28, 1992, may be renewed on a non-competitive basis to continue ongoing leasing, operations, and supportive services for additional years beyond the initial funding period.
