(a) *Applicants that are States or units of general local government.* The applicant must have a HUD-approved complete or abbreviated consolidated plan, in accordance with 24 CFR part 91, and must submit a certification that the application for funding is consistent with the HUD-approved consolidated plan. Funded applicants must certify in a grant agreement that they are following the HUD-approved consolidated plan.

(b) *Applicants that are not States or units of general local government.* The applicant must submit a certification by the jurisdiction in which the proposed project will be located that the applicant's application for funding is consistent with the jurisdiction's HUD-approved consolidated plan. Subpart C—Application and Grant Award Process

§ 583.200 Application and grant award.

When funds are made available for assistance, HUD will publish a notice of funding availability (NOFA) in the FEDERAL REGISTER, in accordance with the requirements of 24 CFR part 4. [61 FR 51176, Sept. 30, 1996]

§ 583.230 Environmental review.

(a) *Generally.* Project selection is subject to completion of an environmental review of the proposed site, and the project may be modified or the site rejected as a result of that review. The environmental effects must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (42 U.S.C. 4320) (NEPA) and the related environmental laws and authorities listed in HUD's implementing regulations at 24 CFR part 50 or 58, depending on who is responsible for environmental review.

(b) *Environmental review by HUD.* HUD will perform an environmental review, in accordance with part 50 of this title, before approval of conditionally selected applications received directly from private nonprofit organizations and governmental entities with special or limited purpose powers. Any application subject to environmental review by HUD that requires an Environmental Impact Statement (EIS) in accordance with the procedures in 24 CFR

§ 583.235

24 CFR Ch. V (4-1-03 Edition)

part 50, subpart E, will not be eligible for assistance under this part.

(c) *Environmental review by applicants.* Applicants that are States, metropolitan cities, urban counties, tribes, or other governmental entities with general purpose powers must assume responsibility for environmental review, decisionmaking, and action for each application for assistance in accordance with part 58 of this title. These applicants must include in their applications an assurance that they will assume all the environmental review responsibility that would otherwise be performed by HUD as the responsible Federal official under NEPA and related authorities listed in 24 CFR part 58. The grant award is subject to completion of the environmental responsibilities set out in 24 CFR part 58 within a reasonable time period after notification of the award. Applicants may, however, enclose an environmental certification and Request for Release of Funds with their applications.

§ 583.235 Renewal grants.

(a) *General.* Grants made under this part, and grants made under subtitles C and D (the Supportive Housing Demonstration and SAFAH, respectively) of the Stewart B. McKinney Homeless Assistance Act as in effect before October 28, 1992, may be renewed on a non-competitive basis to continue ongoing leasing, operations, and supportive services for additional years beyond the initial funding period. To be considered for renewal funding for leasing, operating costs, or supportive services, recipients must submit a request for such funding in the form specified by HUD, must meet the requirements of this part, and must submit requests within the time period established by HUD.

(b) *Assistance available.* The first renewal will be for a period of time not to exceed the difference between the end of the initial funding period and ten years from the date of initial occupancy or the date of initial service provision, as applicable. Any subsequent renewal will be for a period of time not to exceed five years. Assistance during each year of the renewal period, sub-

ject to maintenance of effort requirements under § 583.150(a) may be for:

(1) Up to 50 percent of the actual operating and leasing costs in the final year of the initial funding period;

(2) Up to the amount of HUD assistance for supportive services in the final year of the initial funding period; and

(3) An allowance for cost increases.

(c) *HUD review.* (1) HUD will review the request for renewal and will evaluate the recipient's performance in previous years against the plans and goals established in the initial application for assistance, as amended. HUD will approve the request for renewal unless the recipient proposes to serve a population that is not homeless, or the recipient has not shown adequate progress as evidenced by an unacceptably slow expenditure of funds, or the recipient has been unsuccessful in assisting participants in achieving and maintaining independent living. In determining the recipient's success in assisting participants to achieve and maintain independent living, consideration will be given to the level and type of problems of participants. For recipients with a poor record of success, HUD will also consider the recipient's willingness to accept technical assistance and to make changes suggested by technical assistance providers. Other factors which will affect HUD's decision to approve a renewal request include the following: a continuing history of inadequate financial management accounting practices, indications of mismanagement on the part of the recipient, a drastic reduction in the population served by the recipient, program changes made by the recipient without prior HUD approval, and loss of project site.

(2) HUD reserves the right to reject a request from any organization with an outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed to, or whose response to an audit finding is overdue or unsatisfactory.

(3) HUD will notify the recipient in writing that the request has been approved or disapproved.
