§ 583.320 Site control.

(a) *Site control.* (1) Where grant funds will be used for acquisition, rehabilitation, or new construction to provide supportive housing or supportive services, or where grant funds will be used for operating costs of supportive housing, or where grant funds will be used to provide supportive services except where an applicant will provide services at sites not operated by the applicant, an applicant must demonstrate site control before HUD will execute a grant agreement (*e.g.*, through a deed, lease, executed contract of sale). If such site control is not demonstrated within one year after initial notification of the award of assistance under this part, the grant will be deobligated as provided in paragraph (c) of this section.

(2) Where grant funds will be used to lease all or part of a structure to provide supportive housing or supportive services, or where grant funds will be used to lease individual housing units for homeless persons who will eventually control the units, site control need not be demonstrated.

(b) *Site change.* (1) A recipient may obtain ownership or control of a suitable site different from the one specified in its application. Retention of an assistance award is subject to the new site's meeting all requirements under this part for suitable sites.

(2) If the acquisition, rehabilitation, acquisition and rehabilitation, or new construction costs for the substitute

site are greater than the amount of the grant awarded for the site specified in the application, the recipient must provide for all additional costs. If the recipient is unable to demonstrate to HUD that it is able to provide for the difference in costs, HUD may deobligate the award of assistance.

(c) *Failure to obtain site control within one year.* HUD will recapture or deobligate any award for assistance under this part if the recipient is not in control of a suitable site before the expiration of one year after initial notification of an award.

§ 583.325 Nondiscrimination and equal opportunity requirements.

(a) *General.* Notwithstanding the permissibility of proposals that serve designated populations of disabled homeless persons, recipients serving a designated population of disabled homeless persons are required, within the designated population, to comply with these requirements for nondiscrimination on the basis of race, color, religion, sex, national origin, age, familial status, and disability.

(b) *Nondiscrimination and equal opportunity requirements.* The nondiscrimination and equal opportunity requirements set forth at part 5 of this title apply to this program. The Indian Civil Rights Act (25 U.S.C. 1301 et seq.) applies to tribes when they exercise their powers of self-government, and to Indian housing authorities (IHAs) when established by the exercise of such powers. When an IHA is established under State law, the applicability of the Indian Civil Rights Act will be determined on a case-by-case basis. Projects subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(c) *Procedures.* (1) If the procedures that the recipient intends to use to make known the availability of the supportive housing are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or handicap who

may qualify for admission to the housing, the recipient must establish additional procedures that will ensure that such persons can obtain information concerning availability of the housing.

(2) The recipient must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap and maintain evidence of implementation of the procedures.

(d) *Accessibility requirements.* The recipient must comply with the new construction accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, and the reasonable accommodation and rehabilitation accessibility requirements of section 504 as follows:

(1) All new construction must meet the accessibility requirements of 24 CFR 8.22 and, as applicable, 24 CFR 100.205.

(2) Projects in which costs of rehabilitation are 75 percent or more of the replacement cost of the building must meet the requirements of 24 CFR 8.23(a). Other rehabilitation must meet the requirements of 24 CFR 8.23(b).

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than a year has passed since FEMA notification regarding such hazards; and

(ii) Flood insurance is obtained as a condition of approval of the application.

(2) Applicants with supportive housing located in an area identified by FEMA as having special flood hazards and receiving assistance for acquisition or construction (including rehabilitation) are responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(b) The Coastal Barrier Resources Act of 1982 (16 U.S.C. 3501 *et seq.*) may apply to proposals under this part, depending on the assistance requested.

(c) *Applicability of OMB Circulars.* The policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 apply to the award, acceptance, and use of assistance under the program by governmental entities, and OMB Circular Nos. A-110 (Grants and Cooperative Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations) and A-122 (Cost Principles Applicable to Grants, Contracts and Other Agreements with Nonprofit Institutions) apply to the acceptance and use of assistance by private nonprofit organizations, except where inconsistent with the provisions of the McKinney Act, other Federal statutes, or this part. (Copies of OMB Circulars may be obtained from E.O.P. Publications, room 2200, New Executive Office Building, Washington, DC 20503, telephone (202) 395-7332. (This is not a toll-free number.) (d) *Lead-based paint.* The Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851-4856), and implementing regulations at part 35, subparts A, B, J, K, and R of this title apply to activities under this program.

(e) *Conflicts of interest.* (1) In addition to the conflict of interest requirements in 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decisionmaking process or gain inside
