Subpart B—Use of Grant Funds

§ 761.15 Applicants and activities.

In any particular funding round, the separate Notices of Funding Availability (NOFAs) published in the FEDERAL REGISTER will contain specific information concerning eligible and ineligible applicants and activities.

(a) *Eligible applicants.* (1) Under the Public Housing Drug Elimination Program (PHDEP), specific information with regard to eligible applicants will appear in the NOFA for each funding round.

(2) Under the Assisted Housing Program (AHDEP), eligible applicants are owners of federally assisted low-income housing, as the term “*Federally assisted low-income housing*” is defined in § 761.10.

(b) *Eligible activities.* An application for funding under the Assisted Housing Program or the Public Housing Program may be for one or more of the eligible activities described in 42 U.S.C. 11903, as further explained or limited in paragraph (b) of this section and in the separate annual Notices of Funding Availability (NOFAs) for each program. All personnel funded by these programs in accordance with an eligible activity must meet, and demonstrate compli-

ance with, all relevant Federal, State, tribal, or local government insurance, licensing, certification, training, bonding, or other similar law enforcement requirements.

(1) *Employment of security personnel,* as provided in 42 U.S.C. 11903(a)(1). For purposes of the Public Housing Program, the following provisions in paragraphs (b)(1)(i) and (b)(1)(ii) of this section apply:

(i) *Security guard personnel.* (A) Contract security personnel funded by this program must perform services not usually performed by local law enforcement agencies on a routine basis.

(B) The applicant, the cooperating local law enforcement agency, and the provider (contractor) of the security personnel are required, as a part of the security personnel contract, to enter into and execute a written agreement that describes the following:

(1) The activities to be performed by the security personnel, their scope of authority, and how they will coordinate their activities with the local law enforcement agency;

(2) The types of activities that the security personnel are expressly prohibited from undertaking.

(ii) *Employment of HA police.* (A) If additional HA police are to be employed for a service that is also provided by a local law enforcement agency, the applicant must provide a cost analysis that demonstrates the employment of HA police is more cost efficient than obtaining the service from the local law enforcement agency.

(B) Additional HA police services to be funded under this program must be over and above those that the existing HA police, if any, provides, and the tribal, State or local government is contractually obligated to provide under its Cooperation Agreement with the applying HA (as required by the HA’s Annual Contributions Contract). An applicant seeking funding for this activity must first establish a baseline by describing the current level of services provided by both the local law enforcement agency and the HA police, if any (in terms of the kinds of services provided, the number of officers and equipment and the actual percent of their time assigned to the developments proposed for funding), and then

demonstrate to what extent the funded activity will represent an increase over this baseline.

(C) The applicant and the cooperating local law enforcement agency are required to enter into and execute a written agreement that describes the following:

(1) The activities to be performed by the HA police, their scope of authority, and how they will coordinate their activities with the local law enforcement agency;

(2) The types of activities that the HA police are expressly prohibited from undertaking.

(2) *Reimbursement of local law enforcement agencies for additional security and protective services*, as provided in 42 U.S.C. 11903(a)(2). For purposes of the Public Housing Program, the following provisions in paragraphs (b)(2)(i) and (b)(2)(ii) of this section apply:

(i) Additional security and protective services to be funded must be over and above those that the tribal, State, or local government is contractually obligated to provide under its Cooperation Agreement with the applying HA (as required by the HA's Annual Contributions Contract). An application seeking funding for this activity must first establish a baseline by describing the current level of services (in terms of the kinds of services provided, the number of officers and equipment, and the actual percent of their time assigned to the developments proposed for funding) and then demonstrate to what extent the funded activity will represent an increase over this baseline.

(ii) Communications and security equipment to improve the collection, analysis, and use of information about drug-related criminal activities in a public housing community may be eligible items if used exclusively in connection with the establishment of a law enforcement substation on the funded premises or scattered site developments of the applicant. Funds for activities under this section may not be drawn until the grantee has executed a contract for the additional law enforcement services.

(3) *Physical improvements to enhance security*, as provided in 42 U.S.C. 11903(a)(3). For purposes of the Public

Housing Program, the following provisions in paragraphs (b)(3)(i) through (b)(3)(iv) of this section apply:

(i) An activity that is funded under any other HUD program shall not also be funded by this program.

(ii) Funding is not permitted for physical improvements that involve the demolition of any units in a development.

(iii) Funding is not permitted for any physical improvements that would result in the displacement of persons.

(iv) Funding is not permitted for the acquisition of real property.

(4) *Employment of investigating individuals*, as provided in 42 U.S.C. 11903(a)(4). For purposes of the Public Housing Program, the following provisions in paragraphs (b)(4)(i) and (b)(4)(ii) of this section apply:

(i) If one or more investigators are to be employed for a service that is also provided by a local law enforcement agency, the applicant must provide a cost analysis that demonstrates the employment of investigators is more cost efficient than obtaining the service from the local law enforcement agency.

(ii) The applicant, the cooperating local law enforcement agency, and the investigator(s) are required, before any investigators are employed, to enter into and execute a written agreement that describes the following:

(A) The nature of the activities to be performed by the investigators, their scope of authority, and how they will coordinate their activities with the local law enforcement agency;

(B) The types of activities that the investigators are expressly prohibited from undertaking.

(5) *Voluntary tenant patrols*, as provided in 42 U.S.C. 11903(a)(5). For purposes of the Public Housing Program, the following provisions in paragraphs (b)(5)(i) through (b)(5)(iv) of this section apply:

(i) The provision of training, communications equipment, and other related equipment (including uniforms), for use by voluntary tenant patrols acting in cooperation with officials of local law enforcement agencies is permitted. Grantees are required to obtain liability insurance to protect themselves

and the members of the voluntary tenant patrol against potential liability for the activities of the patrol. The cost of this insurance will be considered an eligible program expense.

(ii) The applicant, the cooperating local law enforcement agency, and the members of the tenant patrol are required, before putting the tenant patrol into effect, to enter into and execute a written agreement that describes the following:

(A) The nature of the activities to be performed by the tenant patrol, the patrol's scope of authority, and how the patrol will coordinate its activities with the local law enforcement agency;

(B) The types of activities that a tenant patrol is expressly prohibited from undertaking, to include but not limited to, the carrying or use of firearms or other weapons, nightsticks, clubs, handcuffs, or mace in the course of their duties under this program;

(C) The type of initial tenant patrol training and continuing training the members receive from the local law enforcement agency (training by the local law enforcement agency is required before putting the tenant patrol into effect).

(iii) Tenant patrol members must be advised that they may be subject to individual or collective liability for any actions undertaken outside the scope of their authority and that such acts are not covered under a HA's or RMC's liability insurance.

(iv) Grant funds may not be used for any type of financial compensation for voluntary tenant patrol participants. However, the use of program funds for a grant coordinator for volunteer tenant foot patrols is permitted.

(6) *Drug prevention, intervention, and treatment programs*, as provided in 42 U.S.C. 11903(a)(6).

(7) *Funding resident management corporations (RMCs), resident councils (RCs), and resident organizations (ROs)*. For purposes of the Public Housing Program, funding may be provided for HAs that receive grants to contract with RMCs and incorporated RCs and ROs to develop security and drug abuse prevention programs involving site residents, as provided in 42 U.S.C. 11903(a)(7).

(8) *Eliminating drug-related crime in HA-owned housing*, under the Public Housing Program, as provided in 42 U.S.C. 11903(b).

(c) *Continuation of current program activities*. For purposes of both drug elimination programs, the Department will evaluate an applicant's performance under any previous Drug Elimination Program grants within the past five years. Subject to evaluation and review are the applicant's financial and program performance; reporting and special condition compliance; accomplishment of stated goals and objectives under the previous grant; and program adjustments made in response to previous ineffective performance. If the evaluation discloses a pattern under past grants of ineffective performance with no corrective measures attempted, it will result in a deduction of points from the current application.

(d) *Ineligible activities*. For purposes of the Public Housing Program, the following provisions in paragraph (d) of this section apply:

(1) Joint applications are not eligible for funding under this program.

(2) Funding is not permitted for costs incurred before the effective date of the grant agreement, including, but not limited to, consultant fees for surveys related to the application or the actual writing of the application.

(3) Funding is not permitted for the costs related to screening or evicting residents for drug-related crime. However, investigators funded under this program may participate in judicial and administrative proceedings.

Subpart C—Application and Selection

§ 761.20 Application selection and requirements.

(a) *Selection criteria*. HUD will review each application that it determines meets the requirements of this part 761 and evaluate it by assigning points in accordance with the selection criteria in 42 U.S.C. 11904 and in the separate NOFAs published for each program.

(b) *Plan requirement*. Each application must include a plan for addressing the problem of drug-related crime and/or the problems associated with it on the premises of the housing for which the
