#### § 880.602 Replacement reserve.

(a) A replacement reserve must be established and maintained in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items.

(1) *Part 880 and 24 CFR part 881 projects.* (i) For this part 880 and 24 CFR part 811 projects, an amount equivalent to .006 of the cost of total structures, including main buildings, accessory buildings, garages and other buildings, or any higher rate as required by HUD from time to time, will be deposited in the replacement reserve annually. This amount will be adjusted each year by the amount of the automatic annual adjustment factor.

(ii) The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. Should the reserve achieve that level, the rate of deposit to the reserve may be reduced with the approval of HUD.

(iii) All earnings including interest on the reserve must be added to the reserve.

(iv) Funds will be held by the mortgagee or trustee for bondholders, and may be drawn from the reserve and used only in accordance with HUD guidelines and with the approval of, or as directed by, HUD.

(v) Partially-assisted part 880 and 24 CFR part 881 projects are exempt from the provisions of this section.

(2) *Part 883 of this chapter projects.* (i) For 24 CFR part 883 projects, an amount equivalent to at least .006 of the cost of total structures, including main buildings, accessory buildings, garages and other buildings, or any higher rate as required from time to time by:

(A) The Agency, in the case of projects approved under 24 CFR part 883, subpart D; or

(B) HUD, in the case of all other projects, will be deposited in the replacement reserve annually. For projects approved under 24 CFR part 883, subpart D, this amount may be adjusted each year by up to the amount of the automatic annual adjustment factor. For all projects not approved under 24 CFR part 883, subpart D, this amount must be adjusted each year by the amount of the automatic annual adjustment factor.

(ii) The reserve must be built up to and maintained at a level determined to be sufficient by the Agency to meet projected requirements. Should the reserve achieve that level, the rate of deposit to the reserve may be reduced with the approval of the Agency.

(iii) All earnings, including interest on the reserve, must be added to the reserve.

(iv) Funds will be held by the Agency, other mortgagee or trustee for bondholders, as determined by the Agency, and may be drawn from the reserve and used only in accordance with Agency guidelines and with the approval of, or as directed by, the Agency.

(v) The Agency may exempt partially-assisted projects approved under 24 CFR part 883, subpart D, from the provisions of this section. All partially-assisted projects not approved under the Fast Track Procedures formerly in 24 CFR part 883, subpart D, are exempt from the provisions of this section.

(b) In the case of HUD-insured projects, the provisions of this section will apply instead of the otherwise applicable mortgage insurance provisions, except in the case of partially-assisted insured projects which are subject to the applicable mortgage insurance provisions.

**§ 880.603 Selection and admission of assisted tenants.**

(a) *Application.* The owner must accept applications for admission to the project in the form prescribed by HUD. Both the owner (or designee) and the applicant must complete and sign the application. For this part 880 and 24 CFR part 881 projects, on request, the owner must furnish copies of all applications to HUD and the PHA, if applicable. For 24 CFR part 883 projects, on request, the owner must furnish to the Agency or HUD copies of all applications received.

(b) *Determination of eligibility and selection of tenants.* The owner is responsible for obtaining and verifying information related to income in accordance with 24 CFR part 813, and evidence related to citizenship and eligible immigration status in accordance with 24 CFR part 5, to determine whether the applicant is eligible for assistance in accordance with the requirements of 24 CFR part 5, and 24 CFR part 813, and to select families for admission to the program, which includes giving selection preferences in accordance with 24 CFR part 5, subpart D.

(1) If the owner determines that the family is eligible and is otherwise acceptable and units are available, the owner will assign the family a unit of the appropriate size in accordance with HUD standards. If no suitable unit is available, the owner will place the family on a waiting list for the project and notify the family of when a suitable unit may become available. If the waiting list is so long that the applicant would not be likely to be admitted for the next 12 months, the owner may advise the applicant that no additional applications are being accepted for that reason, provided the owner complies with the procedures for informing applicants about admission preferences as provided in 24 CFR part 5, subpart D.

(2) If the owner determines that an applicant is ineligible on the basis of income or family composition, or because of failure to meet the disclosure and verification requirements for Social Security Numbers (as provided by 24 CFR part 5), or because of failure by an applicant to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies (as provided by 24 CFR parts 5 and 813), or that the owner is not selecting the applicant for other reasons, the owner will promptly notify the applicant in writing of the determination and its reasons, and that the applicant has the right to meet with the owner or managing agent in accordance with HUD requirements. Where the owner is a PHA, the applicant may request an informal hearing. If the PHA determines that the applicant is not eligible, the PHA will notify the applicant and inform the applicant that he or she has the right to request HUD review of the PHA's determination. The applicant may also exercise other rights if the applicant believes that he or she is being discriminated against on the basis of race, color, creed, religion, sex, or national origin. See 24 CFR part 5 for the informal review provisions for the denial of a Federal preference or the failure to establish citizenship or eligible immigration status and for notice requirements where assistance is terminated, denied, suspended, or reduced based on wage and claim information obtained by HUD from a State Wage Information Collection Agency.

(3) Records on applicants and approved eligible families, which provide racial, ethnic, gender and place of previous residency data required by HUD, must be maintained and retained for three years.

(c) *Reexamination of family income and composition—(1) Regular reexaminations.* The owner must reexamine the income and composition of all families at least every 12 months. After consultation with the family and upon verification of the information, the owner must make appropriate adjustments in the Total Tenant Payment in accordance with 24 CFR part 813 and determine whether the family's unit size is still appropriate. The owner must adjust
