

**§ 882.516 Maintenance, operation and inspections.**

(a) *Maintenance and operation.* The Owner must provide all the services, maintenance and utilities as agreed to under the Contract, subject to abatement of housing assistance payments or other applicable remedies if the Owner fails to meet these obligations.

(b) *Periodic inspection.* In addition to the inspections required prior to execution of the Contract, the PHA must inspect or cause to be inspected each dwelling unit under Contract at least annually and at such other times as may be necessary to assure that the Owner is meeting the obligations to maintain the unit in decent, safe and sanitary condition and to provide the agreed upon utilities and other services. The PHA must take into account complaints and any other information coming to its attention in scheduling inspections.

(c) *Units not decent, safe and sanitary.* If the PHA notifies the Owner that the unit(s) under Contract are not being maintained in decent, safe and sanitary condition and the Owner fails to take corrective action (including corrective action with respect to the Family where the condition of the unit is the fault of the Family) within the time prescribed in the notice, the PHA may exercise any of its rights or remedies under the Contract, including abatement of housing assistance payments (even if the Family continues in occupancy), termination of the Contract on the affected unit(s) and assistance to the Family in accordance with § 882.514(e).

Should HUD determine that there are deficiencies, it may exercise any rights or remedies specified for the PHA under the Contract or reserved for HUD in

the ACC, require termination of the management contract, or take other appropriate action.

(e) Periodic PHA audits must be conducted as required by HUD, in accordance with guidelines prescribed by 24 CFR part 44.
