

the notice provided for in this paragraph is properly given, whichever is later.

(c) The notice shall advise each affected family that, after the expiration date of the Contract, the family will be required to bear the entire cost of the rent and that the owner will be free (to the extent the project is not otherwise regulated by HUD) to alter the rent without HUD approval, but subject to any applicable requirements or restrictions under the lease or under State or local law. The notice shall also state: (1) The actual (if known) or the estimated rent which will be charged following the expiration of the Contract; (2) the difference between the rent and the Total Tenant Payment toward rent under the Contract; and (3) the date the Contract will expire.

(d) The owner shall give HUD a certification that families have been notified in accordance with this section with an example of the text of the notice attached.

(e) This section applies to all Contracts entered into pursuant to an Agreement executed on or after October 1, 1981, or entered into pursuant to an Agreement executed before October 1, 1981, but renewed or amended on or after October 1, 1984.

§ 884.109 Rent adjustments.

(a) *Funding of adjustments.* Housing assistance payments will be made in increased amounts commensurate with Contract Rent adjustments under this paragraph, up to the maximum amount authorized under the Contract. (See §§ 884.104 and 884.105).

(b) *Automatic annual adjustments.* (1) Automatic Annual Adjustment Factors will be determined by HUD at least annually; interim revisions may be made as market conditions warrant. Such Factors and the basis for their determination will be published in the FEDERAL REGISTER. These published Factors will be reduced appropriately by HUD where utilities are paid directly by Families.

(2) On each anniversary date of the Contract, the Contract Rents shall be adjusted by applying the applicable Automatic Annual Adjustment Factor most recently published by HUD. Con-

tract Rents may be adjusted upward or downward, as may be appropriate; however, in no case shall the adjusted rents be less than the Contract Rents on the effective date of the Contract.

(c) *Special additional adjustments.* Special additional adjustments shall be granted, when approved by HUD, to reflect increases in the actual and necessary expenses of owning and maintaining the Contract Units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs (i.e., assessments, and utilities not covered by regulated rates), but only if and to the extent that the Owner clearly demonstrates that such general increases have caused increases in the Owner's operating costs which are not adequately compensated for by automatic annual adjustments. The Owner shall submit to HUD financial statements which clearly support the increase.

(d) *Overall limitation.* Notwithstanding any other provisions of this part, adjustments as provided in this section shall not result in material differences between the rents charged for assisted and comparable unassisted units, as determined by HUD: *Provided, however,* That this limitation shall not be construed to prohibit differences in rents between assisted and comparable unassisted units to the extent that such differences may have existed with respect to the initial Contract Rents.

§ 884.110 Types of housing and property standards.

(a) Newly constructed single-family houses and multifamily structures may be utilized in this program. Congregate housing may be developed for elderly, disabled, or handicapped Families and individuals. Except in the case of housing predominantly for the elderly, high-rise elevator projects for Families with children may not be utilized unless HUD determines there is no practical alternative.

(b) Participation in this program requires compliance with:

(1) [Reserved]

(2) In the case of congregate housing, the appropriate HUD guidelines and standards;

(3) HUD requirements pursuant to section 209 of the HCD Act for projects

for the elderly, disabled, or handicapped;

(4) HUD requirements pertaining to noise abatement and control; and

(5) Applicable State and local laws, codes, ordinances, and regulations.

(c) Housing assisted under this part shall be modest in design. Amenities in projects assisted under this part (except partially assisted projects) will be limited to those amenities, as determined by HUD, which are generally provided in unassisted, decent, safe and sanitary housing for low-income families, in the market area. The use of more durable, high-quality materials to control or reduce maintenance, repair and replacement costs will not be considered an excess amenity.

(d) *Smoke detectors.* (1) *Performance requirement.* After October 30, 1992, each dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit. If the unit is occupied by hearing-impaired persons, smoke detectors must have an alarm system, designed for hearing-impaired persons, in each bedroom occupied by a hearing-impaired person.

(2) *Acceptability criteria.* The smoke detector must be located, to the extent practicable, in a hallway adjacent to a bedroom, unless the unit is occupied by a hearing-impaired person, in which case each bedroom occupied by a hearing-impaired person must have an alarm system connected to the smoke detector installed in the hallway.

§ 884.114 Financing.

(a) *Types.* Eligible projects under this program shall be financed under Section 515, Title V of the Housing Act of 1949.

(b) *Use of contract as security for financing.* (1) An Owner may pledge, or offer as security for any loan or obligation, an Agreement or Contract entered into pursuant to this part: *Provided, however,* That such security is in connection with a project constructed pursuant to this part, and the terms of the financing or any refinancing have been approved by HUD. It is the Owner's responsibility to request such ap-

proval in sufficient time before he needs the financing to permit review of the method and terms of the financing and the instrument of pledge, offer or other assignment that HUD is requested to approve.

(2) Any pledge of the Agreement, Contract, or ACC, or payments thereunder, shall be limited to the amounts payable under the Contract or ACC in accordance with its terms.

(3) In the event of foreclosure and in the event of assignment or sale agreed to by HUD, housing assistance payments shall continue in accordance with the Terms of the Contract.

§ 884.115 Security and utility deposits.

(a) An Owner may require Families to pay a security deposit in an amount equal to one month's Gross Family Contribution. If a Family vacates its unit, the Owner, subject to State and local laws, may utilize the deposit as reimbursement for any unpaid rent or other amount owed under the Lease. If the Family has provided a security deposit, and it is insufficient for such reimbursement, the Owner may claim reimbursement from HUD or the PHA, as appropriate, not to exceed an amount equal to the remainder of one month's Contract Rent. Any reimbursement under this section shall be applied first toward any unpaid rent. If a Family vacates the unit owing no rent or other amount under the Lease or if such amount is less than the amount of the security deposit, the Owner shall refund the full amount or the unused balance, as the case may be, to the Family.

(b) In those jurisdictions where interest is payable by the Owner on security deposits, the refunded amount shall include the amount of interest payable. All security deposit funds shall be deposited by the Owner in a segregated bank account, and the balance of this account, at all times, shall be equal to the total amount collected from tenants then in occupancy, plus any accrued interest. The Owner shall comply with all State and local laws regarding interest payments on security deposits.

(c) Families shall be expected to obtain the funds to pay security and utility deposits, if required, from their own
