Amenities in projects assisted under this part (except partially assisted projects) will be limited to those amenities, as determined by HUD, which are generally provided in unassisted, decent, safe and sanitary housing for low-income families, in the market area. (2) *Acceptability criteria.* The smoke detector must be located, to the extent practicable, in a hallway adjacent to a bedroom, unless the unit is occupied by a hearing-impaired person, in which case each bedroom occupied by a hearing-impaired person must have an alarm system connected to the smoke detector installed in the hallway.

(a) *Types.* Eligible projects under this program shall be financed under Section 515, Title V of the Housing Act of 1949.

(b) *Use of contract as security for financing.* (1) An Owner may pledge, or offer as security for any loan or obligation, an Agreement or Contract entered into pursuant to this part: *Provided, however,* That such security is in connection with a project constructed pursuant to this part, and the terms of the financing or any refinancing have been approved by HUD. It is the Owner's responsibility to request such ap-

#### § 884.115 Security and utility deposits.

(a) An Owner may require Families to pay a security deposit in an amount equal to one month's Gross Family Contribution. If the Family has provided a security deposit, and it is insufficient for such reimbursement, the Owner may claim reimbursement from HUD or the PHA, as appropriate, not to exceed an amount equal to the remainder of one month's Contract Rent. Any reimbursement under this section shall be applied first toward any unpaid rent. If a Family vacates the unit owing no rent or other amount under the Lease or if such amount is less than the amount of the security deposit, the Owner shall refund the full amount or the unused balance, as the case may be, to the Family.

(b) In those jurisdictions where interest is payable by the Owner on security deposits, the refunded amount shall include the amount of interest payable. All security deposit funds shall be deposited by the Owner in a segregated bank account, and the balance of this account, at all times, shall be equal to the total amount collected from tenants then in occupancy, plus any accrued interest. The Owner shall comply with all State and local laws regarding interest payments on security deposits.

(c) Families shall be expected to obtain the funds to pay security and utility deposits, if required, from their own

resources and/or other private or public sources.
