(f) *Completion in stages.* If the project is to be completed in stages, the procedures of this section shall apply to each stage.

§ 884.213 Execution of housing assistance payments contract.

(a) *Time of execution.* Upon acceptance of the project by HUD pursuant to § 884.212, the Contract shall be executed first by the Owner and then by HUD, or, in the case of a Private-Owner/PHA Project, executed by the Owner and the PHA and then approved by HUD.

(b) *Unleased units.* At the time of execution of the Contract, HUD (or the PHA, as appropriate) shall examine the lists of dwelling units leased and not leased, referred to in § 884.211(e) and shall determine whether or not the Owner has met his obligations under that section with respect to any unleased units. HUD (or the PHA, as appropriate) shall state in writing its determination with respect to the unleased units and for which of those units it will make housing assistance payments. The Owner shall indicate in writing his concurrence with this determination or his disagreement, reserving his rights to claim housing assistance payments for the unleased units pursuant to the Contract, without prejudice by reason of his signing the Contract. Copies of all documents referred to in this paragraph shall be furnished to HUD in the case of a Private-Owner/PHA Project.

§ 884.214 Marketing.

(a) *Compliance with equal opportunity requirements.* Marketing of units and selection of Families by the Owner shall be in accordance with the Owner's FmHA-approved Affirmative Fair Housing Marketing Plan, if required, and with all regulations relating to fair housing advertising including use of the equal opportunity logotype statement and slogan in all advertising. Projects shall be managed and operated without regard to race, color, creed, religion, sex, or national origin.

(b) *Eligibility, selection and admission of families.* (1) The owner is responsible for determination of eligibility of applicants in accordance with the proce-

dures of 24 CFR part 5, selection of families from among those determined to be eligible (including provision of Federal selection preferences in accordance with 24 CFR part 5), and computation of the amount of housing assistance payments on behalf of each selected family, in accordance with schedules and criteria established by HUD.

(2) For every family that applies for admission, the owner and the applicant will complete and sign the form of application prescribed by HUD. However, if there are no vacant units and the owner's waiting list is such that there would be an unreasonable length of time before the applicant could be admitted, the owner may advise the applicant that the owner is not accepting applications for that reason, except that the owner may not refuse to place an applicant on the waiting list if the applicant is otherwise eligible for assistance and claims that he or she qualifies for a Federal preference as provided in 24 CFR part 5, unless the owner determines, on the basis of the number of applicants who are already on the waiting list and who claim a Federal preference, and the anticipated number of admissions to the project, that:

(i) There is an adequate pool of applicants who are likely to qualify for a Federal preference, and

(ii) It is unlikely that, on the basis of the owner's system for applying the Federal preferences, the preference or the preferences that the applicant claims, and the preferences claimed by applicants on the waiting list, the applicant would qualify for admission before other applicants on the waiting list.

The owner must retain copies of all completed applications together with any related correspondence for three years. For each family selected for admission, the owner must submit one copy of the completed and signed application to the HUD field office (in the case of private-owner/PHA projects, the owner simultaneously must send a copy of the form to the PHA). Housing assistance payments will not be made on behalf of an admitted family unit after this copy has been received by the
