

Subpart C—PHAS Indicator #2: Financial Condition

§ 902.30 Financial condition assessment.

(a) *Objective.* The objective of the Financial Condition Indicator is to measure the financial condition of a PHA for the purpose of evaluating whether it has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary and in good repair.

(b) *Financial reporting standards.* A PHA's financial condition will be assessed under this indicator on the basis of the annual financial report provided in accordance with § 902.33.

§ 902.33 Financial reporting requirements.

(a) *Annual financial reports.* PHAs must provide to HUD, on an annual basis, such financial information, as required by HUD. The financial information must be:

(1) Prepared in accordance with Generally Accepted Accounting Principles (GAAP) as further defined by HUD in supplementary guidance;

(2) Submitted electronically in the electronic format designated by HUD; and

(3) Submitted in such form and substance prescribed by HUD.

(b) *Annual financial report filing dates.* The financial information to be submitted to HUD in accordance with paragraph (a) of this section, must be submitted to HUD annually, no later than 60 days after the end of the fiscal year of the reporting period, and as otherwise provided by law.

(c) *Reporting compliance dates.* The requirement for compliance with the financial reporting requirements of this section begins with PHAs with fiscal years ending September 30, 1999 and thereafter. Unaudited financial statements will be required 60 days after the PHA's fiscal year end, and audited financial statements will then be required no later than 9 months after the PHA's fiscal year end, in accordance with the Single Audit Act and OMB Circular A-133. (See 24 CFR 84.26). A PHA with a fiscal year ending September 30, 1999 that elects to submit its

unaudited report earlier than the due date of November 30, 1999 must submit its financial report as required in this section. On or after September 30, 1998, but prior to November 30, 1999 (except for a PHA with its fiscal year ending September 30, 1999), PHAs may submit their financial reports in accordance with this section.

§ 902.35 Financial condition scoring and thresholds.

(a) *Scoring.* Under PHAS Indicator #2, REAC will calculate a score that relies on the key components of financial health and management as well as audit and internal control flags.

(1) The key components of PHAS Indicator #2 include:

(i) *Current Ratio*—current assets divided by current liabilities;

(ii) *Number of Months Expendable Fund Balance*—number of months a PHA can operate on the Expendable Fund Balance without additional resources; Expendable Fund Balance is the portion of the fund balance representing expendable available financial resources; unreserved and undesignated fund balance;

(iii) *Days Receivable Outstanding*—average number of days tenant receivables are outstanding;

(iv) *Vacancy Loss*—loss of potential rent due to vacancy;

(v) *Expense Management/Energy Consumption*—expense per unit for key expenses, including energy consumption, and other expenses such as utilities, maintenance, security; and

(vi) *Net Income or Loss divided by the Expendable Fund Balance*—measures how the year's operations have affected the PHA's viability.

(2) *Additional components.* Additional components may be used to identify circumstances in which there exists the possibility of higher risk of waste, fraud and abuse. These components will be used to detect fraud and will be used to generate "flags" that will signal field staff, Enforcement Center staff, or fraud investigators to take appropriate action. These components will primarily relate to financial management, but may also be used to provide a PHA with benchmarking information to allow the PHA to measure its own performance against its peers.
