§ 960.203 [Reserved]

§ 960.204 Tenant selection policies.

(a) *Selection policies.* (1) The PHA shall establish and adopt written policies for admission of tenants.

(2) These policies shall be designed:

(i) To attain, to the maximum extent feasible, a tenant body in each project that is composed of families with a broad range of incomes and to avoid concentrations of the most economically deprived families with serious social problems;

(ii) To preclude admission of applicants whose habits and practices reasonably may be expected to have a detrimental effect on the residents or the project environment;

(iii) To give a preference in selection of tenants to applicants who qualify for a federal preference, ranking preference, or local preference, in accordance with 24 CFR part 5; and

(iv) To establish objective and reasonable policies for selection by the PHA among otherwise eligible applicants.

(3) The PHA tenant selection policies shall include the following:

(i) Requirements for applications and waiting lists (see 24 CFR 1.4);

(ii) Description of the policies for selection of applicants from the waiting list that includes the following:

(A) How the "federal preferences" (described in 24 CFR part 5) will be used;

(B) How any "ranking preferences" (described in 24 CFR part 5) will be used;

(C) How any "local preferences" (described in 24 CFR part 5) will be used; and

(D) How any residency preference will be used;

(iii) Policies for verification and documentation of information relevant to acceptance or rejection of an applicant, including documentation and

verification of citizenship and eligible immigration status under 24 CFR part 5; and

(iv) Policies for participant transfer between units, projects, and programs. For example, a PHA could adopt a criterion for voluntary transfer that the tenant had met all obligations under the current program, including payment of charges to the PHA.

(b) These selection policies shall:

(1) Be duly adopted; and

(2) Be publicized by posting copies thereof in each office where applications are received and by furnishing copies to applicants or tenants upon request, free or at their expense, at the discretion of the PHA.

(c) Such policies shall be submitted to the HUD field office upon request from that office.

§ 960.205 Standards for PHA tenant selection criteria.

(a) The tenant selection criteria to be established and information to be considered shall be reasonably related to individual attributes and behavior of an applicant and shall not be related to those which may be imputed to a particular group or category of persons of which an applicant may be a member. The PHA may use preferences based on the employment status of family members.

(b) The criteria to be established in relation to avoiding concentration of families with serious social problems in PHA projects and information to be considered shall be reasonably related to whether the conduct of the applicant in present or prior housing has been such as would not be likely to interfere with other tenants in such a manner as to diminish their enjoyment of the premises by adversely affecting their health, safety or welfare or to affect adversely the physical environment or the financial stability of the project if the applicant were admitted to the project. Relevant information respecting habits or practices to be considered may include, but is not limited to:
