

lower ongoing administrative fee for an HA-owned unit than for a unit not owned by the HA, and no fee for the cost to help a family experiencing difficulty in renting appropriate housing.

(6) HA-owned units are subject to the same requirements as units that are not HA-owned, including the ineligibility of units that are currently public or Indian housing and units constructed or rehabilitated with other assistance under the U.S. Housing Act of 1937.

**§983.8 Rehabilitation: Minimum expenditure requirement.**

(a) To qualify as rehabilitation under this part 983, existing structures must require a minimum expenditure of \$1000 per assisted unit, including the unit's prorated share of work to be accomplished on common areas or systems, in order to:

(1) Upgrade the property to decent, safe, and sanitary condition to comply with the housing quality standards or other standards approved by HUD, from a condition below those standards;

(2) Repair or replace major building systems or components in danger of failure within two years from the date of the initial HA inspection;

(3) Convert or merge units to provide housing for large families; or

(4) For up to seven percent of the units to be assisted, make accessibility improvements to the property necessary to meet the requirements of Section 504 of the Rehabilitation Act of 1973 and the Fair Housing Amendments Act of 1988.

(b) In determining the minimum expenditure of \$1000 per assisted unit, the HA must include the prorated cost of common improvements in the costs of the individual units.

**§983.9 Prohibition against new construction or rehabilitation with U.S. Housing Act of 1937 assistance and use of flexible subsidy; pledge of Agreement or HAP contract.**

(a) Assistance may not be attached to any unit which was in the five years before execution of the Agreement, or will be, constructed or rehabilitated

with other assistance under the U.S. Housing Act of 1937 (e.g., public housing (development or modernization), rental rehabilitation grants under 24 CFR part 511, housing development grants under 24 CFR part 850, or other Section 8 programs). In addition, a unit to which assistance is to be attached under this part 983 may not be rehabilitated with flexible subsidy assistance under part 219 of this title. HUD may approve attachment of assistance to a unit that was rehabilitated with public housing modernization funds before conveyance to a resident management corporation under section 21 of the U.S. Housing Act of 1937 (42 U.S.C. 1437s) if attachment of project-based assistance would further the purposes of the sale of the public housing project to the corporation.

(b) If an owner is proposing to pledge the Agreement or HAP contract as security for financing, the owner must submit the financing documents to the HA. In determining the approvability of a pledge arrangement, the HA must review the documents submitted by the owner to ensure that the financing documents do not modify the Agreement or HAP contract, and do not contain any requirements inconsistent with the Agreement or HAP contract. Any pledge of the Agreement or HAP contract must be limited to amounts payable under the HAP contract in accordance with the terms of the HAP contract.

**§983.10 Displacement, relocation, and acquisition.**

(a) *Minimizing displacement.* (1) Consistent with the other goals and objectives of this part, an owner must assure that it has taken all reasonable steps to minimize the displacement of persons (households, businesses, nonprofit organizations, and farms) as a result of a rehabilitation project assisted under this part.

(2) Whenever a building or complex is rehabilitated and some, but not all, of the rehabilitated units will be assisted upon completion of the rehabilitation, the relocation requirements described in this section cover the occupants of each rehabilitated unit, whether or not Section 8 assistance will be provided for the unit.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporary housing and any increase in monthly rent/utility costs;

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe and sanitary dwelling to be made available for the temporary period;

(iii) The terms under which the tenant may lease and occupy a suitable, decent, safe, and sanitary dwelling in the project upon completion of the project; and

(iv) The assistance required under paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A “displaced person” (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201-4655) and implementing regulations at 49 CFR part 24. A “displaced person” must be advised of his/her rights under the Fair Housing Act (42 U.S.C. 3600-3620), and, if the representative comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority is located in an area of minority concentration, such person must also be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(d) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements of 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the HA’s determination concerning whether the person qualifies as

a “displaced person,” or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the HA. A person who is dissatisfied with the HA’s determination on the appeal may submit a written request for review of that determination to the HUD field office responsible for administering the URA requirements in the jurisdiction.

(f) *Responsibility of HA.* (1) The HA must provide assurance of compliance as required by 49 CFR part 24 that it will comply with the URA, the regulations at 49 CFR part 24, and the requirements of this section, and must ensure such compliance notwithstanding any third party’s contractual obligation to the HA to comply with these provisions.

(2) The cost of required relocation assistance may be paid for with funds provided by the owner, or with local public funds, or with funds available from other sources. The cost of HA advisory services for temporary relocation of tenants may be paid from preliminary fees or ongoing administrative fees.

(3) The HA must maintain records in sufficient detail to demonstrate compliance with the provisions of this section. The HA must maintain data on the race, ethnicity, gender, and disability of displaced persons.

(g) *Definition of displaced person.* (1) For purposes of this section, the term *displaced person* means a person (household, business, nonprofit organization, or farm) that moves from real property, or moves personal property from real property, permanently, as a direct result of acquisition, rehabilitation, or demolition for a project assisted under this part. The term “displaced person” includes, but may not be limited to:

(i) A person who moves permanently from the real property after receiving a notice from the owner requiring such move, if the move occurs on or after the date of the submission of the owner application to the HA;

(ii) A person who moves permanently before the submission of the owner application to the HA, if the HA or HUD

determines that the displacement resulted directly from acquisition, rehabilitation, or demolition for the assisted project; or

(iii) A tenant-occupant of a dwelling unit who moves from the building or complex, permanently, after execution of the Agreement between the owner and the HA, if the move occurs before the tenant is provided written notice offering the opportunity to lease and occupy a suitable, decent, safe, and sanitary dwelling in the same building or complex under reasonable terms and conditions, upon completion of the project. Such reasonable terms and conditions include a monthly rent and estimated average monthly utility costs that do not exceed the greater of:

(A) The tenant's monthly rent before execution of the Agreement and estimated average monthly utility costs; or

(B) The total tenant payment, as determined under 24 CFR 5.613, if the tenant is low-income, or 30 percent of gross household income, if the tenant is not low-income; or

(iv) A tenant-occupant of a dwelling who is required to relocate temporarily, but does not return to the building or complex, if either:

(A) The tenant is not offered payment for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation, including the cost of moving to and from the temporarily occupied unit and any increased housing costs; or

(B) Other conditions of the temporary relocation are not reasonable; or

(v) A tenant-occupant of a dwelling who moves from the building or complex permanently after he or she has been required to move to another dwelling unit in the same building or complex in order to carry out the rehabilitation or construction, if either:

(A) The tenant is not offered reimbursement for all reasonable out-of-pocket expenses incurred in connection with the move; or

(B) Other conditions of the move are not reasonable; or

(2) Notwithstanding the provisions of paragraph (g)(1) of this section, a person does not qualify as a "displaced person" (and is not eligible for reloca-

tion assistance under the URA or this section), if:

(i) The person has been evicted for serious or repeated violation of the terms and conditions of the lease or occupancy agreement, violation of applicable Federal, State or local law, or other good cause, and the HA determines that the eviction was not undertaken for the purpose of evading the obligation to provide relocation assistance;

(ii) The person moved into the property after the submission of the owner application to the HA and, before signing a lease and commencing occupancy, was provided written notice of the owner application, its possible impact on the person (e.g., the person may be displaced, temporarily relocated, or suffer a rent increase) and the fact that the person would not qualify as a "displaced person" (or for any assistance provided under this section) if the owner application is approved;

(iii) The person is ineligible under 49 CFR 24.2(g)(2); or

(iv) HUD determines that the person was not displaced as a direct result of acquisition, rehabilitation, or demolition for the project.

(3) The HA may request, at any time, HUD's determination of whether a displacement is or would be covered by this section.

(h) *Definition of initiation of negotiations.* For purposes of determining the formula for computing a replacement housing payment to be provided to a residential tenant displaced as a direct result of privately undertaken rehabilitation or demolition of the real property, the term "initiation of negotiations" means the execution of the Agreement between the owner and the HA.
