§ 1.401-1 Qualified pension, profit-sharing, and stock bonus plans.

(a) *Introduction.* (1) Sections 401 through 405 relate to pension, profit-sharing, stock bonus, and annuity plans, compensation paid under a deferred-payment plan, and bond purchase plans. Section 401(a) prescribes the requirements which must be met for qualification of a trust forming part of a pension, profit-sharing, or stock bonus plan.

(2) A qualified pension, profit-sharing, or stock bonus plan is a definite written program and arrangement which is communicated to the employees and which is established and maintained by an employer—

(iii) In the case of a stock bonus plan, to provide employees or their beneficiaries benefits similar to those of profit-sharing plans, except that such benefits are distributable in stock of the employer, and that the contributions by the employer are not necessarily dependent upon profits. If the employer's contributions are dependent upon profits, the plan may enable employees or their beneficiaries to participate not only in the profits of the employer, but also in the profits of an affiliated employer who is entitled to deduct his contributions to the plan under section 404(a)(3)(B) (see paragraph (b)(1)(iii) of this section).
