

§ 270.283 Credit or refund of tax.

The taxes paid on tobacco products may be credited or refunded (without interest) to a manufacturer on proof satisfactory to the regional director (compliance) that the claimant manufacturer paid the tax on tobacco products lost (otherwise than by theft) or destroyed, by fire, casualty, or act of God, while in the possession or ownership of such manufacturer, or withdrawn by him from the market. Any claim for credit or refund under this section shall be prepared on Form 2635 (5620.8), in duplicate. Claims shall include a statement that the tax imposed on tobacco products by 26 U.S.C. 7652 or chapter 52, was paid in respect to the tobacco products covered by the claim, and that the products were lost, destroyed, or withdrawn from the market within 6 months preceding the date the claim is filed. A claim for credit or refund relating to products lost or destroyed shall be supported as prescribed in § 270.301, and a claim relating to products withdrawn from the market shall be accompanied by a schedule prepared and verified as prescribed in §§ 270.311 and 270.313. The original and one copy of Form 2635 (5620.8), claim for credit, or the original of Form 2635 (5620.8), claim for refund, shall be filed with the regional director (compliance) for the region in which the tax was paid, or where the tax was paid in more than one region with the regional director (compliance) for any one of the regions in which the tax was paid. Upon action by the regional director (compliance) on a claim for credit he will return the copy of Form 2635 to the manufacturer as notification of allowance or disallowance of the claim or any part thereof, which copy, with the copy of any verified supporting schedules, shall be retained by the manufacturer. When the manufacturer is notified of allowance of the claim for credit or any part thereof he shall make an adjusting entry and explanatory statement in the next tax return(s) to the extent necessary to take credit in the amount of the allowance. Prior to consideration and action on his claim the manufacturer may not anticipate allowance of his claim by taking credit in his tax return. The duplicate of a claim for refund, with the copy of any

verified supporting schedules, shall be retained by the manufacturer.

§ 270.284 Remission of tax liability.

Remission of the tax liability on tobacco products may be extended to the manufacturer liable for the tax where tobacco products in bond are lost (otherwise than by theft) or destroyed, by fire, casualty, or act of God, while in the possession or ownership of such manufacturer. Where tobacco products are so lost or destroyed the manufacturer shall report promptly such fact, and the circumstances, to the regional director (compliance) for the region in which the factory is located. If the manufacturer wishes to be relieved of the tax liability thereon he shall also prepare a claim on Form 2635, in duplicate, setting forth the nature, date, place, and extent of the loss or destruction. Both copies of the claim, accompanied by such evidence as is necessary to establish to the satisfaction of the regional director (compliance) that the claim is valid, shall be filed with the regional director (compliance) for the region in which the factory is located. Upon action on the claim by the regional director (compliance) he will return the copy of Form 2635 to the manufacturer as notice of such action, which copy shall be retained by the manufacturer.
