§ 270.405 Strengthening bond.

Where the regional director (compliance) determines that the amount of the bond, under which a manufacturer of cigarette papers and tubes is currently carrying on such business, no longer adequately protects the revenue, the regional director (compliance) may require the manufacturer to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of §270.404. The regional director (compliance) shall refuse to approve any strengthening bond where any notation is made thereon which is intended or which may be construed as a release of any former bond, or as limiting the amount of either bond to less than its full amount.

§ 270.406 Superseding bond.

(a) The corporate surety on the current bond becomes insolvent,

(b) The regional director (compliance) approves a request from the surety of the current bond to terminate liability under the bond,

(c) Payment of any liability under a bond is made by the surety thereon, or

(d) The regional director (compliance) considers such a superseding bond necessary for the protection of the revenue.

§ 270.408 Approval of bond and extension of coverage of bond.

No person shall commence operations under any bond, nor extend operations, until such person receives from the regional director (compliance) notice of approval of the bond or an appropriate extension of coverage of the bond required under this subpart. Upon receipt of an approved bond or extension of coverage of bond from the regional director (compliance), such bond or extension of coverage of bond shall be retained by the manufacturer of cigarette papers and tubes in factory and shall be made available for inspection by any ATF officer upon request.

The liability of a surety on any bond required by this subpart shall be terminated only as to operations on and after the effective date of a superseding bond, or the date of approval of the discontinuance of operations by the manufacturer of cigarette papers and tubes, or otherwise in accordance with the termination provisions of the bond. The surety shall remain bound in respect of any liability for unpaid taxes, penalties and interest, not in excess of the amount of the bond, incurred by the manufacturer while the bond is in force.
