

§ 270.472 Allowance.

Relief from the payment of tax on cigarette papers and tubes may be extended to a manufacturer by allowance of the tax where the cigarette papers and tubes, after removal from the factory upon determination of tax and prior to the payment of such tax, are lost (otherwise than by theft) or destroyed by fire, casualty, or act of God, while in the possession or ownership of the manufacturer who removed such articles, or are withdrawn by the manufacturer from the market. Any claim for allowance under this section shall be filed on ATF Form 2635 (5620.8) with the regional director (compliance) for the region in which the articles were removed, shall be executed under penalties and perjury and shall show the date the cigarette papers and tubes were removed from the factory. A claim relating to articles lost or destroyed shall be supported as prescribed in § 270.475. In the case of a claim relating to cigarette papers or tubes withdrawn from the market the schedule prescribed in § 270.476 shall be filed with the regional director (compliance) for the region in which the articles are assembled. The manufacturer may not anticipate allowance of a claim by making the adjusting entry in a tax return pending consideration and action on the claim. Cigarette papers and tubes to which such a claim relates must be shown as removed on determination of tax in the return covering the period during which such articles were so removed. Upon action on the claim by the regional director (compliance) a copy of ATF Form 2635 (5620.8) will be returned to the manufacturer as notice of such action. This copy of ATF Form 2635 (5620.8), with the copy of any verified supporting schedules, shall be retained by the manufacturer. When such notification of allowance of the claim or any part thereof is received prior to the time the return covering the tax on the cigarette papers or tubes to which the claim relates is to be filed, the manufacturer may make an adjusting entry and explanatory statement in that tax return. Where the notice of allowance is received after the filing of the return and taxpayment of the cigarette papers or tubes to which the claim relates, the manufacturer

may make an adjusting entry and explanatory statement in the next tax return(s) to the extent necessary to take credit in the amount of the allowance.

§ 270.473 Credit or refund.

The taxes paid on cigarette papers and tubes may be credited or refunded (without interest) to a manufacturer on proof satisfactory to the regional director (compliance) that the claimant manufacturer paid the tax on cigarette papers and tubes lost (otherwise than by theft) or destroyed, by fire, casualty, or act of God, while in the possession or ownership of such manufacturer, or withdrawn by the manufacturer from the market. Any claim for credit or refund under this section shall be prepared on ATF Form 2635 (5620.8), in duplicate. Claims shall include a statement that the tax imposed on cigarette papers and tubes by 26 U.S.C. 7652 or Chapter 52, was paid in respect to the cigarette papers or tubes covered by the claim, and that the articles were lost, destroyed, or withdrawn from the market within 6 months preceding the date the claim is filed. A claim for credit or refund relating to articles lost or destroyed shall be supported as prescribed in § 270.475, and a claim relating to articles withdrawn from the market shall be accompanied by a schedule prepared and verified as prescribed in §§ 270.476, and 270.477. The original and one copy of ATF Form 2635 (5620.8), shall be filed with the regional director (compliance) for the region in which the tax was paid, or where the tax was paid in more than one region with the regional director (compliance) for any one of the regions in which the tax was paid. Upon action by the regional director (compliance) on a claim for credit, a copy of ATF Form 2635 (5620.8) will be returned to the manufacturer as notification of allowance or disallowance of the claim or any part thereof. This copy, with the copy of any verified supporting schedules, shall be retained by the manufacturer. When the manufacturer is notified of allowance of the claim for credit or any part thereof, the manufacturer shall make an adjusting entry and explanatory statement in the next tax return(s) to the extent necessary to take

credit in the amount of the allowance. The manufacturer may not anticipate allowance of a claim by taking credit on a tax return prior to consideration and action on such claim. The duplicate of a claim for refund or credit, with a copy of any verified supporting schedules, shall be retained by the manufacturer.

§ 270.474 Remission.

Remission of the tax liability on cigarette papers and tubes may be extended to the manufacturer liable for the tax where cigarette papers and tubes in bond are lost (other than by theft) or destroyed, by fire, casualty, or act of God, while in the possession or ownership of such manufacturer. Where cigarette papers and tubes are so lost or destroyed the manufacturer shall report promptly such fact, and the circumstances, to the regional director (compliance) for the region in which the factory is located. If the manufacturer wishes to be relieved of the tax liability, a claim on ATF Form 2635 (5620.8), in duplicate, shall also be prepared, setting forth the nature, date, place, and extent of the loss or destruction. The original and one copy of the claim, accompanied by such evidence as is necessary to establish to the satisfaction of the regional director (compliance) that the claim is valid, shall be filed with the regional director (compliance) for the region in which the factory is located. Upon action on the claim by the regional director (compliance), the copy of ATF Form 2635 (5620.8) will be returned to the manufacturer as notice of such action, which copy shall be retained by the manufacturer.
