is made to the proper recipient, and that correct data are used for other functions, such as automated verification and audits. If you request delegation of error correction functions for production reports or royalty reports, or both, you must perform at least the following:

- (a) Correcting all fatal errors and assigning appropriate confirmation indicators;
- (b) Verifying whether production reports are missing;
- (c) Contacting production reporters or royalty reporters about missing reports and resolving exceptions;
- (d) Documenting all corrections made, including providing production reporters or royalty reporters with confirmation reports of any changes;
- (e) Providing training and assistance to production reporters or royalty reporters;
- (f) Issuing notices, orders to report, and bills as needed, including, but not limited to, imposing assessments on a person who chronically submits erroneous reports; and
- (g) Providing assistance to MMS for appealed demands or orders, including preparing field reports, performing remanded actions, modifying orders, and providing oral and written briefing and testimony as expert witnesses.

§ 227.501 What are a State's responsibilities to ensure that reporters correct erroneous data?

To ensure the correction of erroneous data, you must:

- (a) Ensure compliance with the provisions of 30 CFR parts 216 and 218, any applicable handbook specified under 30 CFR 227.401 (f) and (g), interagency memorandums of understanding to which MMS is a party, and the *Standards*;
- (b) Ensure that reporters accurately and timely correct all fatal errors as designated in the *Standards*. These errors include, for example, invalid or incorrect reporter/payor codes, incorrect lease/agreement numbers, and missing data fields;
- (c) Submit accepted and corrected lines to MMS to allow processing into the Auditing and Financial System (AFS) and the Production Accounting and Auditing System (PAAS) in a

30 CFR Ch. II (7-1-00 Edition)

timely manner as provided in the *Standards* and 30 CFR part 219; and

- (d) Comply with the procedures for appealed demands or orders, including meeting timeframes, supplying information, and using the appropriate format.

§ 227.600 What automated verification functions may a State perform?

Automated verification involves systematic monitoring of production and royalty reports to identify and resolve reporting or payment discrepancies. States may perform the following:

- (a) Automated comparison of sales volumes reported by royalty reporters to sales and transfer volumes reported by production reporters. If you request delegation of automated comparison of sales and production volumes, you must perform at least the following functions:

- (1) Performing an initial sales volume comparison between royalty and production reports;
- (2) Performing subsequent comparisons when reporters adjust royalty or production reports;
- (3) Checking unit prices for reasonable product valuation based on reference price ranges MMS provides;
- (4) Resolving volume variances using written correspondence, telephone inquiries, or other media;
- (5) Maintaining appropriate file documentation to support case resolution; and
- (6) Issuing orders to correct reports or payments;

- (b) Any one or more of the following additional automated verification functions:

- (1) Verifying compliance with lease financial terms, such as payment of rent, minimum royalty, and advance royalty;
- (2) Identifying and resolving improper adjustments;
- (3) Identifying late payments and insufficient estimates, including calculating interest owed to MMS and verifying payor-calculated interest owed to MMS;
- (4) Calculating interest due to a lessee or its designee for an adjustment or refund, including identifying overpayments and excessive estimates;
- (5) Verifying royalty rates; and
