

§ 740.11 Applicability.

(a) Except as provided in paragraph (g) of this section, both this subchapter and the pertinent State or Federal regulatory program in subchapter T of this chapter apply to:

(b) Where OSM is the regulatory authority, references in the State program to the State or an agency or official of the State (with respect to functions of the State acting as regulatory authority) shall be construed as referring to OSM.

(c) Where the Secretary and a State have entered into a cooperative agreement, the cooperative agreement shall delineate the responsibilities of the Secretary and the State with respect to the administration of the regulatory program and this subchapter.

(d) Nothing in this subchapter shall affect in any way the authority of the Secretary or any Federal land management agency to include in any lease, license, permit, contract, or other instrument such conditions as may be appropriate to regulate surface coal mining and reclamation operations under provisions of law other than the Act on land under their jurisdiction.

(e) This subchapter shall not apply to surface coal mining and reclamation operations within a State prior to approval or promulgation of a regulatory program for the State.

(f) Where coal exploration or surface coal mining and reclamation operations within a State are on Federal lands and where no State or Federal program has been approved for the State, this subchapter shall apply in that State upon the effective date of these regulations.

(g) The definition of valid existing rights in § 761.5 of this chapter applies to any decision on a request for a determination of valid existing rights to conduct surface coal mining operations on the lands specified in § 761.11(a) and (b) of this chapter.

§ 740.13 Permits.

(a) *General requirements.* (1) No person shall conduct surface coal mining operations on lands subject to this part un-

less that person has first obtained a permit issued pursuant to the regulatory program and this part.

(2) Every person conducting surface coal mining and reclamation operations on lands subject to this part shall comply with the terms and conditions of the permit and the lease or license, the Act, this subchapter, the regulatory program and all other applicable State and Federal laws and regulations.

(3) Surface coal mining operations authorized under the initial regulatory program or 43 CFR parts 3400, as applicable, may be conducted beyond the eight-month period prescribed in the applicable regulatory program if all of the following conditions are present:

(i) A timely and administratively complete application for a permit to conduct those operations under this part has been made to the regulatory authority in accordance with the provisions of this part and the applicable regulatory program;

(ii) The regulatory authority has not yet rendered a final decision with respect to the permit application; and

(iii) Those operations are conducted in compliance with all terms and conditions of the initial regulatory program approval or permit, the requirements of the Act, 30 CFR chapter VII, subchapter B or 43 CFR parts 3400, as applicable, applicable State laws and regulations, and the requirements of the applicable lease or license.

(b) *Permit application package.* (1) Each application for a permit, or permit revision or renewal thereof to conduct surface coal mining and reclamation operations on lands subject to this part shall be accompanied by a fee made payable to the regulatory authority. The amount of the fee shall be determined in accordance with the permit fee criteria of the applicable regulatory program.

(2) Unless specified otherwise by the regulatory authority, seven copies of the complete permit application package shall be filed with the regulatory authority.

(3) Each permit application package shall include:

(i) The information required for a permit application or for an application for revision or renewal of a permit
