

§ 777.17

and, as applicable to the operation, part 785 of this chapter.

§ 777.17 Permit fees.

An application for a surface coal mining and reclamation permit shall be accompanied by a fee determined by the regulatory authority. The fee may be less than, but shall not exceed, the actual or anticipated cost of reviewing, administering, and enforcing the permit. The regulatory authority may develop procedures to allow the fee to be paid over the term of the permit.

§ 778.1 Scope and purpose.

This part establishes the minimum requirements for the permit applications for surface coal mining and reclamation operations under a State or Federal program. This part covers minimum legal, financial, and compliance requirements and general information that must be contained in permit applications. This part applies to any person who submits an application to a regulatory authority for a permit to conduct surface coal mining and reclamation operations.

§ 778.10 Information collection.

(a) In accordance with 44 U.S.C. 3501 *et seq.*, the Office of Management and Budget (OMB) has approved the information collection requirements of this part. Section 507(b) of SMCRA provides that persons applying for a permit to

30 CFR Ch. VII (7-1-00 Edition)

conduct surface coal mining operations must submit to the regulatory authority certain information regarding the applicant and affiliated entities, their compliance status and history, property ownership and other property rights, right of entry, liability insurance, the status of unsuitability claims, and proof of publication of a newspaper notice. The regulatory authority uses this information to insure that all legal, financial and compliance requirements are satisfied prior to issuance of a permit. Persons seeking to conduct surface coal mining operations must respond to obtain a benefit. A Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB clearance number for this part is 1029-0034.

(b) OSM estimates that the public reporting and recordkeeping burden for this part averages 48 hours per response, including time spent reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of these information collection and recordkeeping requirements, including suggestions for reducing the burden, to the Office of Surface Mining Reclamation and Enforcement, Information Collection Clearance Officer, 1951 Constitution Avenue, NW., Washington, DC 20240; and the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Interior Desk Officer, 725 17th Street, NW., Washington, DC 20503. Please refer to OMB Control Number 1029-0034 in any correspondence.
