### § 879.1 Scope.

This part establishes procedures for acquisition of eligible land and water resources for emergency abatement activities and reclamation purposes by OSM or a State or Indian tribe under an approved reclamation program. It also provides for the management and disposition of lands acquired by the OSM, State, or Indian tribe and establishes requirements for the redeposit of proceeds from the use or sale of land.

### § 879.10 Information collection.

The information collection requirements contained in §§879.11(b)(1), (b)(2), and (e)(3), 879.12(a), 879.13(b), and 879.15(a) and (b) were approved by the Office of Management and Budget under 44 U.S.C. 3507 and assigned clearance number 1029-0056. This information is being collected to meet the mandate of section 407 of the Act, which requires that a State/Indian tribe include in its reclamation plan assurances that the acquisition, management, and disposition of eligible lands and water for reclamation and other designated purposes will be accomplished in a manner prescribed by the Act. This information will be used by the regulatory authority to ensure that the State/Indian tribe has sufficient programmatic capability to acquire, manage, and dispose of land in the prescribed manner. The obligation to respond is mandatory.

### § 879.11 Land eligible for acquisition.

(a) Land adversely affected by past coal mining practices may be acquired by the OSM with moneys from the Fund, or by a State or Indian tribe if approved in advance by OSM. OSM shall find in writing that acquisition is necessary for successful reclamation and that—

(1) The acquired land will serve recreation, historic, conservation, and reclamation purposes or provide open space benefits after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices; and

(2) Permanent facilities will be constructed on the land for the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices.

(b)(1) Coal refuse disposal sites and all coal refuse thereon may be acquired with moneys from the Fund by OSM or by a State or Indian tribe if approved in advance by OSM. Prior to the approval of the acquisition of such sites, the OSM, State, or Indian tribe shall find in writing that the acquisition of such land is necessary for successful reclamation and will serve the purposes of the Abandoned Mine Land Reclamation Program.
