REQUESTS FOR HISTORICAL ACCESS

§ 1909.11 Requirements as to who may apply.

(a) *Historical researchers*—(1) *In general.* Any historian engaged in a historical research project as defined above may submit a request in writing to the Coordinator to be given access to classified information for purposes of that research. Any such request shall indicate the nature, purpose, and scope of the research project.

(2) *Additional considerations.* In light of the very limited resources for the Agency's various historical programs, it is the policy of the Agency to consider applications for historical research privileges only in those instances where the researcher's needs cannot be satisfied through requests for access to reasonably described records under the Freedom of Information Act or the mandatory declassification review provisions of Executive Order 12958 and where issues of internal resource availability and fairness to all

members of the historical research community militate in favor of a particular grant.

(b) *Former Presidential appointees.* Any former Presidential appointee as defined herein may also submit a request to be given access to any classified records which they originated, reviewed, signed, or received while serving in that capacity. Such appointees may also request approval for a research associate but there is no entitlement to such enlargement of access and the decision in this regard shall be in the sole discretion of the Agency. Requests from appointees shall be in writing to the Coordinator and shall identify the records of interest.

§ 1909.12 Designations of authority to hear requests.

The Deputy Director for Administration has designated the Coordinator, the Agency Release Panel, and the Historical Records Policy Board, established pursuant to 32 CFR 1900.41, as the Agency authorities to decide requests for historical and former Presidential appointee access under Executive Order 12958 (or successor Orders) and these regulations.

§ 1909.13 Receipt, recording, and tasking.

The Information and Privacy Coordinator shall within ten (10) days record each request for historical access received under this Part, acknowledge receipt to the requester in writing and take the following action:

(a) *Compliance with general requirements.* The Coordinator shall review each request under this part and determine whether it meets the general requirements as set forth in 32 CFR 1909.11; if it does not, the Coordinator shall so notify the requester and explain the legal basis for this decision.

(b) *Action on requests meeting general requirements.* For requests which meet the requirements of 32 CFR 1909.11, the Coordinator shall thereafter task the D/CSI, the originator(s) of the materials for which access is sought, and other interested parties. Additional taskings, as required during the review process, shall be accomplished within ten (10) days of notification.

§ 1909.14 Determinations by tasked officials.

(a) *Required determinations.* The tasked parties as specified below shall respond in writing to the Coordinator with recommended findings to the following issues:

(1) That a serious professional or scholarly research project by the requester is contemplated (by D/CSI);

(2) That such access is clearly consistent with the interests of national security (by originator and interested party, if any);

(3) That a non-disclosure agreement has been or will be executed by the requester (or research associate, if any) and other appropriate steps have been taken to assure that classified information will not be disclosed or otherwise compromised (by Director of Personnel Security and representative of the Office of General Counsel);

(4) That a pre-publication agreement has been or will be executed by the requester (or research associate, if any) which provides for a review of notes and any resulting manuscript (by Director of Personnel Security and representative of the Office of General Counsel);

(5) That the information requested is reasonably accessible and can be located and compiled with a reasonable effort (by D/CSI and originator);

(6) That it is reasonably expected that substantial and substantive government documents and/or information will be amenable to declassification and release and/or publication (by D/CSI and originator);

(7) That sufficient resources are available for the administrative support of the researcher given current mission requirements (by D/CSI and originator); and,

(8) That the request cannot be satisfied to the same extent through requests for access to reasonably described records under the Freedom of Information Act or the mandatory declassification review provisions of Executive Order 12958 (by Coordinator, D/CSI and originator).

(b) *Time.* These responses shall be provided expeditiously on a "first-in, first-out" basis taking into account the business requirements of the tasked offices and consistent with the
