### §216.3 Definitions.

*Anti-ROTC policy.* A policy or practice whereby a covered school prohibits or in effect prevents the Secretary of Defense from maintaining, establishing, or efficiently operating a unit of the Senior ROTC at the covered school; or prohibits or in effect prevents a student at the covered school from enrolling in a Senior ROTC unit at another institution of higher education.

*Covered school.* An institution of higher education, or a subelement of an institution of higher education, subject to the following clarifications:

- (1) In the event of a determination (§216.5) affecting only a subelement of a parent institution (see §216.3(d)), the limitations on the use of funds (§216.4

(a) and (b)) shall apply only to the subelement and not to the parent institution as a whole.

(2) The limitations on the use of funds (§216.4 (a) and (b)) shall not apply to any individual institution of higher education that is part of a single university system that does not prevent entry to campus, access to students, or access to student information by military recruiters, or have an anti-ROTC policy, even though another campus of the same system is affected by a determination under §216.5(a).

*Directory information on students.* The student's name, address, telephone listing, date and place of birth, level of education, academic major, degrees received, and the educational institution in which the student most recently was enrolled.
