

## §216.6

Schools may stipulate that requests for student recruiting information shall be in writing.

(2) Identify covered schools that, by policy or practice, deny establishment, maintenance, or efficient operation of a unit of the Senior ROTC, or deny students permission to participate, or effectively prevent students from participating in a unit of the Senior ROTC at another institution of higher education. The Military Service concerned shall seek written confirmation of the school's policy from the head of the school through a letter of inquiry. A letter similar to that shown in appendix B of this part shall be used, but it should be tailored to the situation presented. If written confirmation cannot be obtained, oral policy statements or attempts to obtain such statements from an appropriate official of the school shall be documented. A copy of the documentation shall be provided to the covered school, which shall be informed of its opportunity to forward clarifying comments to accompany the submission to the ASD(FMP), and shall be provided 30 days to offer such clarifying comments.

(3) Evaluate responses to the letter of inquiry, and other such evidence obtained in accordance with this part, and submit to the ASD(FMP) the names and addresses of covered schools that are believed to be in violation of policies established in §216.4. Full documentation shall be furnished to the ASD(FMP) for each such covered school, including the school's formal response to the letter of inquiry, documentation of any oral response, or evidence showing that attempts were made to obtain either written confirmation or an oral statement of the school's policies.

(c) The Heads of the DoD components shall:

(1) Provide the ASD(FMP) with the names and addresses of covered schools identified as a result of evaluation(s) required under §§216.4(f) and (g).

(2) Take immediate action to deny obligations of DoD Funds to covered schools identified under paragraph (a)(1)(i) of this section, and to restore eligibility of covered schools identified under paragraph (a)(2) of this section.

#### APPENDIX A OF PART 216—MILITARY RECRUITING SAMPLE LETTER OF INQUIRY

(Tailor letter to situation presented)

Dr. John Doe  
President  
ABC College  
Anywhere, USA 12345-9876

Dear Dr. Doe: I understand that military recruiting personnel (are unable to recruit on the campus of ABC College) (have been refused student recruiting information<sup>1</sup> on ABC College students for the purpose of military recruiting) by a policy or practice of the College. Current law<sup>2</sup> prohibits funds by grant or contract (including a grant of funds to be available for student aid) from appropriations of the Departments of Defense, Transportation (with respect to military recruiting), Labor, Health and Human Services, Education, and Related Agencies to schools that have a policy or practice of denying military recruiting personnel entry to campuses, access to students on campuses, or access to student recruiting information. Implementing regulations are codified at 32 Code of Federal Regulations, part 216.

This letter provides you an opportunity to clarify your institution's policy regarding military recruiting on the campus of ABC College. In that regard, I request, within the next 30 days, a written policy statement of the institution with respect to access to campus and students, and to student recruiting information by military recruiting personnel.

Your response should highlight any difference between access for military recruiters and access for recruiting by other potential employers.

Based on this information, Department of Defense officials will make a determination as to your institution's eligibility to receive funds by grant or contract. That decision may affect eligibility for funding from appropriations of the Departments of Defense, Transportation, Labor, Health and Human Services, Education, and Related Agencies.

<sup>1</sup>Copies may be obtained, at cost, from the National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.

<sup>2</sup>Student recruiting information refers to a student's name, address, telephone listing, age (or year or birth), level of education (e.g., freshman, sophomore, or degree awarded for a recent graduate), and major.

## Office of the Secretary of Defense

## §218.1

Should it be determined that ABC College is in violation of the aforementioned statutes, such funding would be stopped, and the school would be ineligible to receive such funds in the future.

I regret that this action may have to be taken. Successful recruiting requires that Department of Defense recruiters have reasonable access to students on the campuses of colleges and universities, and at the same time have effective relationships with the officials and student bodies of those institutions. I hope it will be possible to (define the correction to the aforementioned problem area(s)). I am available to answer any questions.

Sincerely,

### APPENDIX B OF PART 216—ROTC SAMPLE LETTER OF INQUIRY

(Tailor Letter to Situation Presented)

Dr. Jane Smith  
President  
ABC College  
Anywhere, USA 12345-9876

Dear Dr. Smith: I understand that ABC College has (refused a request from a Military Department to establish a Senior ROTC unit at your institution) (refused to continue existing ROTC programs at your institution) (prevented students from participation at a Senior ROTC program at another institution) by a policy or practice of the College. Current law<sup>1</sup> prohibits funds by grant or contract (including a grant of funds to be available for student aid) from appropriations of the Departments of Defense, Labor, Health and Human Services, Education, and Related Agencies to schools that have a policy or practice prohibiting or preventing the Secretary of Defense from maintaining, establishing, or efficiently operating a Senior ROTC unit. Those statutes also bar agency funds for schools that prohibit or prevent a student from enrolling in an ROTC unit at another institution of higher education. Implementing regulations are codified at 32 Code of Federal Regulations, part 216.

This letter provides you an opportunity to clarify your institution's policy regarding ROTC access on the campus of ABC College. In that regard, I request, within the next 30 days, a written statement of the institution with respect to (define the problem area(s)).

Based on this information, Department of Defense officials will make a determination as to your institution's eligibility to receive funds by grant or contract. The decision may affect eligibility for funding from appropriations of the Departments of Defense, Labor, Health and Human Services, Education, and Related Agencies. Should it be determined that ABC College is in violation of the afore-

mentioned statutes, such funding would be stopped, and the school would be ineligible to receive such funds in the future.

I regret that this action may have to be taken. Successful officer procurement requires that the Department of Defense maintain a strong ROTC program. I hope it will be possible to (define the correction to the aforementioned problem area(s)). I am available to answer any questions.
