

§ 253.4 Policy.

(a) It is the policy of the Department of Defense that an employee shall be accepted for assignment to duty with the Military Services overseas only after it first has been determined, based upon an appropriate personnel security investigation, that such acceptance for assignment is clearly consistent with the national interest.

(b) The standard and criteria for determining the security acceptability of an employee for assignment or continuation of assignment with the Military Services overseas shall be identical to those established for making security clearance determinations for personnel employed in private industry under §§ 155.4 and 155.5 of this title.

§ 253.5 Responsibilities.

(a) The *Deputy Under Secretary of Defense for Policy*, or designee, the *Director, Security Plans and Programs*, shall serve as the primary contact between the Department of Defense and the Red Cross and USO for all matters relating to the policy and procedures prescribed herein.

(b) *Heads of DoD Components* shall comply with the provisions of this rule.

§ 253.6 Procedures.

(a) Employees who are U.S. citizens shall have been the subject of a national agency check (NAC), completed with favorable results, before being nominated for assignment with the Military Services overseas.

(b) Employees who are not U.S. citizens shall have been the subject of a background investigation (BI), completed with favorable results, before being nominated for assignment with the Military Services overseas.

(c) An employee will not be assigned for duty with the Military Services overseas or continued in such an assignment when it has been determined that assignment or continuation of assignment is not clearly consistent with the national interest.

(d) Completed security forms (DD Form 398, Personnel Security Questionnaire (BI/SBI), or 398-2, Personnel Security Questionnaire (National Agency Check)) shall be forwarded to the Defense Industrial Security Clearance Office (DISCO), Defense Investigative

Service, for initiation of the NAC or BI, as appropriate.

(e) Upon completion of the appropriate investigation, the results shall be returned to the DISCO where a determination shall be made concerning security acceptability of the employee. If the determination is favorable, the DISCO shall provide a statement to that effect to the Red Cross or the USO. If the DISCO is unable to make a favorable security acceptability determination, the procedures described in paragraph (f)(3), of this section, shall apply.

(f) Whenever any DoD Component or the Red Cross or the USO receives information indicating that an employee's assignment or continuation of assignment with the Military Services overseas may not clearly be consistent with the national interest, the information shall be furnished to the DISCO for appropriate review. In such cases, the following actions shall be taken:

(1) The DISCO shall arrange for the conduct of any investigation warranted to resolve the adverse or questionable information.

(2) In cases arising after the initial security acceptability determination has been made, the DISCO shall review the information or report of investigation to determine whether the security acceptability determination is to continue in effect. If such adjudication is favorable, no further action is required. The Red Cross or the USO will not be notified in such cases in order to preclude the possibility of any adverse inference being drawn.

(3) If, after reviewing the information or report of investigation, the DISCO is unable to make a favorable security acceptability determination, the case shall be referred for further processing in accordance with part 155 of this title.
