

that special handling instructions do or do not apply.

(3) Release of FOUO information to Members of Congress is governed by DoD Directive 5400.4.⁹ Release to the GAO is governed by DoD Directive 7650.1.¹⁰ Records released to the Congress or GAO should be reviewed to determine whether the information warrants FOUO status. If not, prior FOUO markings shall be removed or effaced. If withholding criteria are met, the records shall be marked FOUO and the recipient provided an explanation for such exemption and marking. Alternatively, the recipient may be requested, without marking the record, to protect against its public disclosure for reasons that are explained.

(b) *Transporting FOUO information.* Records containing FOUO information shall be transported in a manner that prevents disclosure of the contents. When not commingled with classified information, FOUO information may be sent via first-class mail or parcel post. Bulky shipments, such as distributions of FOUO Directives or testing materials, that otherwise qualify under postal regulations, may be sent by fourth-class mail.

(c) *Electronically and facsimile transmitted messages.* Each part of electronically and facsimile transmitted messages containing FOUO information shall be marked appropriately. Unclassified messages containing FOUO information shall contain the abbreviation “FOUO” before the beginning of the text. Such messages and facsimiles shall be transmitted in accordance with communications security procedures whenever practicable.

§ 286.18 Safeguarding FOUO information.

(a) *During duty hours.* During normal working hours, records determined to be FOUO shall be placed in an out-of-sight location if the work area is accessible to non-government personnel.

(b) *During nonduty hours.* At the close of business, FOUO records shall be stored so as to prevent unauthorized access. Filing such material with other unclassified records in unlocked files

or desks, etc., is adequate when normal U.S. Government or Government-contractor internal building security is provided during nonduty hours. When such internal security control is not exercised, locked buildings or rooms normally provide adequate after-hours protection. If such protection is not considered adequate, FOUO material shall be stored in locked receptacles such as file cabinets, desks, or book-cases. FOUO records that are subject to the provisions of 50 U.S.C. 402 note shall meet the safeguards outlined for that group of records.

§ 286.19 Termination, disposal and unauthorized disclosure.

(a) *Termination.* The originator or other competent authority; e.g., initial denial and appellate authorities, shall terminate “For Official Use Only” markings or status when circumstances indicate that the information no longer requires protection from public disclosure. When FOUO status is terminated, all known holders shall be notified, to the extent practical. Upon notification, holders shall efface or remove the “For Official Use Only” markings, but records in file or storage need not be retrieved solely for that purpose.

(b) *Disposal.* (1) Nonrecord copies of FOUO materials may be destroyed by tearing each copy into pieces to prevent reconstructing, and placing them in regular trash containers. When local circumstances or experience indicates that this destruction method is not sufficiently protective of FOUO information, local authorities may direct other methods but must give due consideration to the additional expense balanced against the degree of sensitivity of the type of FOUO information contained in the records.

(2) Record copies of FOUO documents shall be disposed of in accordance with the disposal standards established under 44 U.S.C. 3301-3314, as implemented by DoD Component instructions concerning records disposal.

(c) *Unauthorized disclosure.* The unauthorized disclosure of FOUO records does not constitute an unauthorized disclosure of DoD information classified for security purposes. Appropriate administrative action shall be taken,
