

§ 296.4

32 CFR Ch. I (7-1-99 Edition)

it is unnecessary and impracticable to publish an index of the type required by 5 U.S.C. 552.

§ 296.4 Procedures for request of records.

(a) *Requests.* Request for access to records of the National Reconnaissance Office may be filed by mail addressed to the Chief, Information Access and Release Center, National Reconnaissance Office, 14675 Lee Road, Chantilly, VA 20151-1715. Requests need not be made on any special form but must be by letter or other written statement identifying the request as a Freedom of Information Act request and setting forth sufficient information reasonably describing the requested record. All request should contain a willingness to pay assessable FOIA fees.

(b) *Determination and notification.* When the requested record has been located and identified, the Initial Denial Authority shall determine whether the record is one which, consistent with statutory requirements, executive orders and appropriate directives, may be released or should be exempted under the provisions of 5 U.S.C. 552. Normally, the Initial Denial Authority, shall notify the requester of the determination within 10 working days of the receipt of the request.

(c) *Extension of response time.* In unusual circumstances, when additional time is needed to respond, normally the Initial Denial Authority shall notify the requester in writing within the initial response period of the delay, the reasons therefore, and if specified, a date, not to exceed 10 working days, on which a determination is expected to be dispatched. When a significant number of requests have been received, e.g., 10 or more, the requests shall be initially processed in order of receipt. However, this does not preclude the Initial Denial Authority from completing action on a request which can be easily answered, regardless of its ranking within the order of receipt.

(d) *Fees.* (1) *General.* As a component of the Department of Defense, the applicable published Department rules and schedules with respect to the schedule of fees chargeable and waiver of fees will also be the policy of NRO. See 32 CFR 286.33.

(2) *Advance payments.* (i) Where a total fee to be assessed is estimated to exceed \$250, advance payment of the estimated fee will be required before processing of the request, except where assurances of full payment are received from a requester with a history of prompt payment. Where a requester has previously failed to pay a fee within 30 calendar days of the date of the billing, the requester will be required to pay the full amount owed, plus any applicable interest, or demonstrate that he or she has paid the fee, as well as make an advance payment of the full amount of any estimated fee before processing of a new or pending request continues.

(ii) For all other requests, advance payment, i.e., a payment made before work is commenced, will not be required. Payment owed for work already completed is not an advance payment; however, responses will not be held pending receipt of fees from requesters with a history of prompt payment. Fees should be paid by certified check or postal money order forwarded to the Director, External Relations, and made payable to the Treasurer of the United States.
