§ 322.1 Purpose and scope.

(a) The purpose of this rule is to comply with and implement title 5 U.S.C. 552a, sections (f) and (k), hereinafter identified as the Privacy Act. It establishes the procedures by which an individual may be notified whether a system of records contains information pertaining to the individual; defines

times, places and requirements for identification of the individual requesting records, for disclosure of requested records where appropriate; special handling for medical and psychological records; for amendment of records; appeal of denials of requests for amendment; and provides a schedule of fees to be charged for making copies of requested records. In addition, this rule contains the exemptions promulgated by the Director, NSA, pursuant to 5 U.S.C. 552a(k), to exempt Agency systems of records from subsections (c)(3); (d); (e)(1); (e)(4)(G), (H), (I); and (f) of section 552a.

(b) The procedures established and exemptions claimed apply to systems of records for which notice has been published in the FEDERAL REGISTER pursuant to the Privacy Act. Requests from individuals for records pertaining to themselves will be processed in accordance with these procedures and consistent with the exemptions claimed. Requests for records which do not specify the statute pursuant to which they are made but which may be reasonably construed to be requests by an individual for records pertaining to that individual will also be processed in accordance with these procedures and consistent with exemptions claimed. To the extent appropriate, these procedures apply to records maintained by this Agency pursuant to system of records notices published by the Civil Service Commission. The primary category of records affected by a Commission notice is that maintained in conjunction with the CSC system identified as "CSC-Retirement Life Insurance and Health Benefits Records System." Authority pursuant to 44 U.S.C. 3101 to maintain each system of records for which notice has been published is implied in each "authority for maintenance of a system" of each systems notice.
