

§ 381.5

Secretary of Defense for Atomic Energy (ATSD(AE)) for the Department of Defense and the Director for Military Applications for the DoE.

(v) Develop guidelines and criteria for the advice of the Defense Acquisition Board in evaluating the adequacy of system nuclear survivability.

(w) Be responsible for all matters relating to nuclear test programs and records to include preservation of vital test data and records acquired during past U.S. and other nuclear effects tests.

(x) Be responsible for the Nuclear Test Personnel Review.

(y) Maintain national-level oversight for the Site Folder Project and establish an exercise program for validation of site folders.

(z) Maintain DoD-level oversight of DoD nuclear weapons effects simulators.

(aa) Perform such other functions as may be assigned by the DDR&E.

§ 381.5 Relationships.

(a) In performing assigned functions, the Director, DNA, shall:

(1) Subject to the direction, authority, and control of the DDR&E, be responsible to the CJCS for operational matters as well as requirements associated with the joint planning process. For these purposes, the CJCS is authorized to communicate directly with the Director, DNA, and may task the Director, DNA, to the extent authorized by the DDR&E.

(2) Maintain appropriate liaison with other DoD Components and other Agencies of the Executive Branch for the exchange of information on programs and activities in the field of assigned responsibilities.

(3) Make use of established facilities and services in the Department of Defense or other governmental agencies, whenever practicable, to achieve maximum efficiency and economy.

(4) Ensure that the Secretary of Defense, the Deputy Secretary of Defense, the Secretaries of the Military Departments, the CJCS, and the heads of other DoD Components are kept fully informed of DNA activities with which they have substantive concern.

(5) Use data from nuclear tests performed by other countries, or provided

32 CFR Ch. I (7-1-99 Edition)

by the intelligence community, to obtain information in designing U.S. nuclear forces and assisting the Unified and Specified Commands in target planning.

(6) Coordinate with other officials of the Department of Defense, as appropriate.

(b) The Secretaries of the Military Departments, CJCS, Commanders of Unified and Specified Commands, and Heads of other DoD Components shall:

(1) Provide support, within their respective fields of responsibilities, to the Director, DNA, as required, to carry out the responsibilities and functions assigned to the DNA.

(2) Provide information, as necessary, to the Director, DNA, on all programs and activities that include, or are related to, nuclear weapons effects research, nuclear effects testing, or nuclear weapons accident response as well as the safety, security, and survivability of nuclear weapons systems and forces.

(3) Keep the Director, DNA, informed as to the substance of major actions being coordinated with other DoD Components, the DoE and its laboratories, and other Federal Agencies that relate to DNA functions.

(4) Provide the Director, DNA, with information regarding long-term nuclear weapons development and requirements for nuclear weapons research and testing. This specifically includes keeping the Director, DNA, informed concerning systems response to nuclear weapons effects, and the security, safety, and survivability of nuclear systems and forces.

(c) The CJCS shall review and assess the adequacy of DNA efforts in nuclear weapons testing and nuclear weapons effects research that are related directly to systems employed in joint operations, and in support required for the execution of operational plans of the Unified and Specified Commands.

§ 381.6 Authorities.

The Director, DNA, is specifically delegated authority to:

(a) Communicate directly with heads of DoD Component and other Executive
