

§ 644.104 Procurement of deed and title assembly.

In any case in which the Court determines that the United States has taken an interest in real property, the Department of Justice will attempt to have included in the findings and in the judgment a precise description of the interests taken. An attempt will also be made to provide in the judgment that payment by the United States will not be required until the plaintiff has delivered a deed or other acceptable conveyance of the interest taken.

(a) *Preparation of Instrument.* Upon receipt from the Department of Justice of information as to the nature of the settlement which has been reached, a deed will be prepared, drafted in accordance with § 644.70, covering the estate provided in the judgment.

(b) *Execution and Recording of Deed.* The Division or District Engineer will obtain proper execution of the deed, record the same, procure a final certificate of title of a commercial title company or a staff attorney, and obtain a final title opinion pursuant to the provisions of the Delegation to the Department of the Army for the Approval of the Title to Lands Being Acquired for Federal Public Purposes, dated December 4, 1970, and issued by the Assistant Attorney General, Land and Natural Resources Division, Department of Justice. The title assembly and final title opinion should be forwarded to HQDA (DAEN-REA-P) WASH DC 20314, with information copy of transmittal letter to Division Engineer.

(c) *Notification to the Department of Justice.* If the recorded deed and the final certificate of title are not readily available, the Division or District Engineer will notify the Land and Natural Resources Division of the Department of Justice by letter, with a copy to the appropriate United States Attorney, that the deed has been properly executed and delivered by the plaintiff and has been entered for record in order that settlement will not be delayed.

(d) *Disposition of Final Title Assembly, Mapping, and Audit.* When a final title opinion has been obtained, the Division or District Engineer will assign a tract number to the areas in which the interest has been acquired, will add the

tract to the project map, and will transmit the final title opinion and related papers to HQDA (DAEN-REA-P) WASH DC 20314. The tract will be included in the audit of the installation to which it pertains. Audits will be revised for this purpose, if necessary. The amount of the judgment received by the plaintiff will be shown in the audit assembly, with a proper notation that it represents the amount of the judgment entered in the litigation, which will be identified in the audit by its civil number, and by designation of the Court in which it was rendered. A copy or abstract of the judgment will be inserted in the District Office audit assembly, identified as follows:

Directive by judicial decree for the acquisition of Tract No.; being an easement (or other interest), containing — acres.

(e) *Action in Lieu of Confirmatory Deed.* Where a confirmatory deed cannot be obtained, the Division or District Engineer will obtain from the Clerk of the Court a copy of the final judgment (or an appropriately excerpted copy of the final judgment), acknowledged or properly certified to permit recordation in the local land records. The Division or District Engineer will record same and later transmit the appropriate title assembly to HQDA (DAEN-REA-P) WASH DC 20314. If the final judgment does not contain language which clearly vests title in the United States of the interest in land for which compensation was paid, request should be made of the United States Attorney to move the Court to amend the judgment to show that such title has vested.

ACQUISITION BY CONDEMNATION
PROCEEDINGS

SOURCE: Sections 644.111 through 644.121 appear at 44 FR 8184, Feb. 8, 1979, unless otherwise noted.

§ 644.111 General.

Sections 644.111 through 644.121 describe the procedures of the Corps of Engineers relating to the acquisition of real estate and interests therein by condemnation proceedings. It is applicable to the Office of the Chief Engineers (OCE) and to all Division and

District Engineers having real estate responsibilities.

§644.112 Applicable statutes in condemnation proceedings.

A complaint in condemnation, and any declaration of taking filed in conjunction therewith, will contain a citation of the congressional authorization and appropriation acts for the particular project, and any other applicable acts of Congress. Existing acts of Congress authorizing the acquisition of land and interests therein are outlined in AR 405-10 and subpart A. Acts of Congress applicable, generally, to condemnation proceedings are outlined below.

(a) *Military projects.* (1) Act of Congress approved August 1, 1888 (25 Stat. 357, 40 U.S.C. 257) authorizes the head of any Government department or agency to acquire real estate, otherwise authorized for acquisition, by condemnation proceedings.

(2) Section 2663 of title 10, United States Code, authorizes the Secretary of a military department to acquire by condemnation any interest in land, including temporary use of the site, construction, or operation of fortifications, coast defenses, or military training camps.

(3) Section 9773 of title 10, United States Code, authorizes the Secretary of the Air Force to acquire by condemnation additional permanent air bases and depots, enlarge existing air bases and depots, bombing and machine gun ranges, and areas for the training of tactical units.

(4) Section 2233 of title 10, United States Code, authorizes the Secretary of Defense (with authority to delegate) to acquire by purchase, lease, or transfer, facilities necessary for the Reserve Components. The authority to acquire by purchase has been held to include the authority to condemn. Therefore, this section authorizes condemnation for both Army and Air Force Reserve Training Sites.

(b) *Civil works projects—(1) Rivers and harbors.* (i) Act of Congress approved April 24, 1888 (25 Stat. 94, 33 U.S.C. 591) authorizes the Secretary of the Army to cause proceedings to be instituted for the acquisition by condemnation of any land, right of way, or material

needed to maintain, operate, or prosecute works for the improvement of rivers and harbors for which provision has been made by law.

(ii) Section 5 of the Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that possession of lands being acquired by condemnation proceedings for river and harbor works may be taken, provided adequate provision shall have been made for payment of just compensation.

(2) *Flood control.* (i) Act of Congress approved March 1, 1917 (39 Stat. 950, 33 U.S.C. 701) makes the provisions of the Act of Congress approved April 24, 1888 (paragraph (b)(1)(i) of this section) applicable to flood control works.

(ii) Section 6 of the Act of Congress approved August 18, 1941 (55 Stat. 650, 33 U.S.C. 701c-2) makes the provisions of section 5 of the Act of Congress approved July 18, 1918 (paragraph (b)(1)(ii) of this section) applicable to flood control works.

(3) *Local cooperation.* Acts of Congress approved June 29, 1906 (34 Stat. 632, 33 U.S.C. 592) and August 8, 1917 (40 Stat. 267, 33 U.S.C. 593) provide that the Secretary of the Army may institute condemnation proceedings for the acquisition of land or easement therein for river and harbor works which local interests undertake to furnish free of cost to the United States. The provisions of these Acts were made applicable to flood control works by the Acts of Congress approved March 1, 1917, and August 18, 1941 (paragraphs (b)(2)(i) and (ii) of this section).

(c) *Other pertinent statutes.* (1) Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that the United States shall have the right to take immediate possession of land to the extent of the interest condemned. The exercise of this right is subject, however, to the policy considerations set forth in the Act of Congress approved January 2, 1971, Pub. L. 91-646 (84 Stat. 1894).

(2) Act of Congress approved February 26, 1931 (46 Stat. 1421, 40 U.S.C. 258a) makes provision for the filing of a declaration of taking in conjunction with condemnation proceedings and provides that title to the land or interests in land included in the declaration of taking vests in the United States
