(3) *Information Required.* Information to support recommendation for reassignments of military or civil real property to another using service of the Army, or to change the military or civil accountability within the Corps, will be furnished by the DE to DAEN-REM as follows:

(i) Reference to excess directive, if any.

(ii) Description and map of lands.

(iii) Date, manner, and cost of acquisition of land and improvements.

(iv) Reference to any encumbrances which might affect the reassignment and use.

(v) Proposed effective date of reassignment.

(vi) Proposed new use.

(b) *Reassignment of Air Force Property.* The Air Force Staff reassigns real property within the Department of the Air Force.

(c) *Transfer of Military Property.* Procedure for transfer among military departments is substantially the same as for transfer to other Federal agencies, and is set forth in §§644.400 through 644.443 and §§644.472 through 644.500.

§644.335 Screening of excess DOD property for nondefense Federal agency needs.

(a) *Screening by GSA.* (1) GSA will screen all excess real property reported to it for disposal, to determine whether the property is surplus to all Federal agencies.

(2) GSA will screen certain classes of excess real property which must be reported to it for screening, even though the Department of the Army will act as the disposal agency (§§644.348 through 644.367).

(3) Under the FPMR, Federal agencies are allowed 30 days to advise whether there is a tentative or firm requirement and another 30 days to determine and advise whether the tentative requirement is firm. Where there is a firm requirement, agencies are allowed an additional 60 days to prepare and submit a formal request for transfer pursuant to FPMR Section

101-47.203-7. The DE should obtain from GSA information on the status of screening if advice is not furnished promptly after expiration of the screening period.

(b) *Screening by Corps of Engineers.* Properties which are not reported to GSA for disposal or screening will be screened by the DE with nondefense Federal agencies at the same time they are screened with Defense agencies. Screening of such properties will be limited to agencies that maintain local offices and may be done on an informal basis. The DE may waive screening of nonassignable and short term interests in real property when they determine such screening will serve no useful purpose. When screening discloses no requirement, the property will be determined surplus and disposed of.

§644.336 Notices to Departments of Interior (DI); Health and Human Resources (HHR); Education; and Housing and Urban Development (HUD).

Simultaneously with screening under §644.335 notices of availability will be given to DI of land suitable for public park and recreation or an historical monument site; to HHR and/or Department of Education property suitable for educational purposes or to protect the public health, and to HUD of property for housing and related facilities (Section 101-47.203.5 FPMR). Where such notice is given, these departments will be notified promptly, if screening discloses another Federal requirement for the property. They will also be notified if there is no other Federal requirement and the property is determined surplus.
