

Bureau of Land Management (BLM) Land Office having jurisdiction.

Excess buildings and improvements on the property should be left in place and no disposal action taken thereon pending further instructions from BLM, unless it is determined that they should be abandoned in accordance with the procedures set forth in §§ 644.472 through 644.500. A copy of the Notice of Intention to Relinquish submitted to the appropriate BLM Land Office will be transmitted to HQDA (DAEN-REM) Washington, DC 20314 and to the appropriate GSA regional office.

(b) If any restoration, or other work, is proposed to be performed on the land, the matter will be forwarded to DAEN-REM for prior approval. Where the DE recommends disposition of the land by GSA as excess property rather than return to the public domain, no restoration of the property will be proposed (see 43 CFR 2372.1). Generally, lands which are unimproved, or contain only minor improvements, will be recommended for return to the public domain. Exception to this procedure should be made where development surrounding, or in the vicinity of the land, has changed its character, although the land itself has not been improved. Another exception would be the situation described in § 644.350(d). Generally lands which are extensively improved will be recommended to BLM for disposal as excess property.

(c) If the authorized officer of BLM determines, pursuant to 43 CFR 2372.3, that the conditions prescribed by that regulation have been met and that the land is suitable for return to the public domain, he will notify the DE, as the representative of the holding agency, that the Department of the Interior accepts accountability and responsibility for the property. A copy of this notification will be furnished to HQDA (DAEN-REP) Washington, DC 20314.

(d) If the authorized officer of BLM determines, pursuant to 43 CFR 2374.1, that the land is not suitable for return to the public domain because it is substantially changed in character, and GSA concurs in this determination, he will notify the DE to report the land and improvements, with or without minerals, to GSA as excess property. Upon receipt of this notice, the DE will

advise DAEN-REP and report the property to GSA on SF 118, Report of Excess Real Property, including the information on claims and encumbrances furnished by BLM under 43 CFR 2374.1 (c). The holding agency has the same responsibility for care, custody, and accountability of excess public domain as for other property reported to GSA for disposal.

§ 644.377 Formal revocation of public land withdrawals and reservations.

When the authorized officer of BLM determines that the land is suitable for return to the public domain, the BLM Land Office will transmit to the DE a draft of public land order (PLO) designed to formally revoke the order or reservation which withdrew or reserved the land. The DE will review the draft PLO for accuracy and return it unsigned. The draft PLO will be transmitted through BLM channels to DAEN-REM for signature of the Secretary of the Army or Air Force and return to the Washington office of BLM.

§ 644.378 Cancellation of permits.

(a) Land obtained by permit, or some other form of instrument, from another Federal agency on a temporary basis which has not been substantially improved while being utilized by the Department, when determined to be excess in accordance with the procedure set forth in §§ 644.326 through 644.332, will be returned to the Federal agency from which it was obtained.

(b) When it is determined by the DE that land obtained by permit, or other form of instrument, from another Federal agency on a temporary basis has been substantially improved while being utilized by the Department, the DE will request DAEN-REM to determine whether the land is excess, or is expected to become excess, to the requirements of the agency from which it was obtained.

(1) If the agency from which the land was obtained advises that the land is excess, or is expected to become excess, to its requirements, the improvements will be reported to GSA on SF 118 in accordance with the procedure described in §§ 644.348 through 644.347, with a statement that the agency from
