NOTE: This part 726 is chapter XIV, of the Manual of the Judge Advocate General of the Navy.

§ 726.1 Purpose.

This part explains the procedures for convening competency boards and how to appoint trustees for members of the Naval service who have been determined to be mentally incompetent in accordance with title 11 of chapter 37, United States Code.

§ 726.2 Scope.

(a) The Secretary of the Navy has authority to designate a trustee in the absence of notice that a legal committee, guardian, or other legal representative has been appointed by a State court of competent jurisdiction. 37 U.S.C. 601-604. Trustees receive the active duty pay and allowances, amounts due for accrued or accumulated leave, and retired pay or retainer pay, that are otherwise payable to a member found by competent medical authority to be mentally incapable of managing his affairs.

(b) *Member* as used in this chapter refers to:

(1) Members of the Navy or Marine Corps on active duty (other than for training) or on the retired list of the Navy or Marine Corps; and

(2) Members of the Fleet Reserve or Fleet Marine Corps Reserve.

§ 726.3 Authority to appoint trustees.

The Judge Advocate General or his designee is authorized to act for the Secretary of the Navy to appoint trustees to receive and administer Federal monies for members and to carry out the provisions of this chapter.

§ 726.4 Procedures for convening competency boards.

(a) *Competency Board.* (1) The commanding officer of the cognizant naval medical facility will convene a board of not less than three medical officers or physicians, one of whom will be a psychiatrist, when there is evidence that a member who is a patient in the naval medical facility may be incapable of handling his affairs. The board will be convened in accordance with chapter 18, Manual of the Medical Department. The board may include members of the Reserve components on active or inactive duty. When active duty Navy or Marine corps members are hospitalized in nonnaval medical facilities, the regional Naval Office of the Medical/Dental Affairs will ensure compliance with chapter 18.

(2) The Judge Advocate General or his designee may direct the commanding officer of any naval medical facility, or request the commanding officer of another service medical facility or administrator of a Department of Veterans Affairs medical facility, to convene a board in accordance with this section to determine the mental capability of a member to manage his affairs.

(3) A finding of restoration of competency or capability to manage personal and financial affairs may be accomplished in the same manner specified in chapter 18, Manual of the Medical Department, except that the board may consist of one or two medical officers or physicians, one of whom must be a psychiatrist.

(4) At least one officer on the board, preferably the psychiatrist, will personally observe the member and ensure that the member's medical record, particularly that portion concerning his mental health, is accurate and complete.
