

is authorized for such an injury, illness, or disease beyond the period of training to the same extent as care is authorized for members of the Regular service (see subpart B) subject to the provisions of § 728.21(e).

(c) *Questionable circumstances.* If the circumstances are questionable, referral to the OMA or ODA is appropriate. If necessary, make referral to the Naval Medical Command (MEDCOM-33 for medical and MEDCOM-06 for dental) on determinations of entitlements.

(d) *Line of duty.* For the purpose of providing treatment under laws entitling reservists to care, an injury, illness, or disease which is incurred, aggravated, or becomes manifest while a reservist is employed in the performance of active duty for training or inactive duty training (including authorized leave, liberty and travel to and from either duty) will be considered to have been incurred in line of duty (LOD) unless the condition was incurred as a result of the reservist's own misconduct or under other circumstances enumerated in JAG Manual, chapter VIII. While the LOD investigation is being conducted, such reservists remain entitled to care. If the investigation determines that the injury or illness was not incurred in line of duty, the civilian humanitarian non-indigent rate is applicable if further care is required in naval MTFs. (See DOD Military Pay and Allowances Entitlement Manual for allowable constructive travel times.)

(e) *Treatment and services authorized.* In addition to those services delineated above, the following may be rendered under circumstances outlined:

(1) Prosthetic devices, including dental appliances, hearing aids, spectacles, and orthopedic appliances that are lost or have become damaged during training duty, not through negligence of the individual, may be repaired or replaced at Government expense.

(2) Reservists covered by this subpart may be provided the following only if approved by the appropriate OMA or ODA, or by the Commander, Naval Medical Command (MEDCOM-33 for medical and MEDCOM-06 for dental) prior to initiation of services.

(i) Treatment for acute exacerbations of conditions that existed prior to a re-

servist's period of training duty. Limit care to that necessary for the prevention of pain or undue suffering until the patient can reasonably return to control of the member's private physician or dentist.

(A) Remediable physical defects and remediable treatment for other conditions.

(B) Elective surgery.

(ii) All dental care other than emergency treatment and that necessary to correct an injury incurred in the line of duty.

(f) *Authorization for care.* (1) Reservists covered by this subpart may be provided inpatient or outpatient care during a period of training duty without written authorization.

(2) Except in emergencies or when inpatient care initiated during a period of training duty extends beyond such period, reservists will be required to furnish written official authorization from their unit commanding officer, or higher authority, incident to receiving inpatient or outpatient care beyond the period of training duty. The letter of authorization will include name, grade or rate, social security number, and organization of the reservist; type of training duty being performed or that was being performed when the condition manifested; diagnosis (if known); and a statement that the condition was incurred in line of duty and that the reservist is entitled to care. If the reservist has been issued a notice of eligibility (NOE) (subpart I), the NOE may then be accepted in lieu of the letter of authorization. When authorization has not been obtained beforehand, care may be provided on a civilian humanitarian basis (see subpart G) pending final determination of eligibility.

§ 728.22 Members of other reserve components of the uniformed services.

(a) Members of reserve components of the Coast Guard may be provided care the same as Navy and Marine Corps reservists.

(b) Members of reserve components of the Army and Air Force may be provided care in naval MTFs to the same extent that they are eligible for such

care in MTFs of their respective services. Consult current Army Regulation 40-3, Medical, Dental, and Veterinary Care, or Air Force Regulation 168-6, Persons Authorized Medical Care, as appropriate, for particular eligibility requirements or contact the nearest appropriate service facility.

(c) When the service directive requires written authorization, obtain such authorization from the reservist's unit commanding officer or other appropriate higher authority.

(d) Naval MTFs in the United States are authorized to conduct physical examinations of and administer immunizations to inactive reserve Public Health Service commissioned officers upon presentation of a written request from the Commissioned Personnel Operations Division, OPM/OAM, 5600 Fishers Lane, Rockville, MD 20852.

§ 728.23 Reserve Officers' Training Corps (ROTC).

(a) *Eligible beneficiaries.* (1) Members of the Senior Reserve Officers' Training Corps of the Armed Forces including students enrolled in the 4-year Senior ROTC Program or the 2-year Advanced Training Senior ROTC Program.

(2) Designated applicants for membership in the Navy, Army, and Air Force Senior ROTC Programs during their initial 6-weeks training period (practice cruises or field training).

(3) Medical, dental, pharmacy, veterinary or science allied to medicine students who are commissioned officers of a reserve component of an Armed Force who have been admitted to and training in a unit of a Senior Reserve Officers' Training Corps.

(b) *Extent of care.* (1) While attending or en route to or from field training or practice cruises:

(i) Medical care for a condition incurred without reference to line of duty.

(ii) Routine dental care.

(iii) Prosthetic devices, including dental appliances, hearing aids, spectacles, and orthopedic appliances that have become damaged or lost during training duty, not through negligence of the individual, may be repaired or replaced as necessary at government expense.

(iv) Care of remediable physical defects, elective surgery or other remediable treatment for conditions that existed prior to a period of training duty are not authorized without approval from the appropriate OMA or ODA, or from the Commander, Naval Medical Command (MEDCOM-33 for medical and MEDCOM-06 for dental).

(v) Medical examinations and immunizations.

(vi) ROTC members are authorized continued medical care, including hospitalization, upon expiration of their field training or practice cruise period, the same as reservists in § 728.21(b) and § 728.22.

(2) While attending a civilian educational institution:

(i) Medical care in naval MTFs, including hospitalization, for a condition incurred in line of duty while at or traveling to or from a military installation for the purpose of undergoing medical or other examinations or for purposes of making visits of observation, including participation in service-sponsored sports, recreational, and training activities.

(ii) Medical examinations, including hospitalization necessary for the proper conduct thereof.

(iii) Required immunizations, including hospitalization for severe reactions therefrom.

(c) *Authorization.* The individual's commanding officer will prepare a letter of authorization addressed to the commanding officer of the MTF concerned.

(d) *ROTC members as beneficiaries of the Office of Workers' Compensation Programs (OWCP).* Under circumstances described therein, render care as outlined in § 728.53 to members of the ROTC as beneficiaries of OWCP.

§ 728.24 Navy and Marine Corps Officer Candidate Programs.

Members of the Reserve Officers Candidate Program and Platoon Leaders Class are entitled to the same medical and dental benefits as are provided members of the Navy and Marine Corps Reserve Components. Accordingly, the provisions of § 728.21 are applicable for such members. Additionally, candidates for, or persons enrolled in such programs are authorized access to
