

landing must be noted in § 766.5 of the license application. If a narrative report from the pilot is available, it may be attached to the application.

(2) *Clearance of runway.* The Department of the Navy reserves the right to use any method to clear a runway of aircraft or wreckage consistent with operational requirements. Care will be exercised to preclude unnecessary damage in removing wrecked aircraft; however, the Navy assumes no liability as a result of such removal.

(3) *Repairs.* (i) Aircraft requiring major repairs may be stored temporarily in damaged condition. If repairs cannot be completed within a reasonable time, the aircraft must be removed from the facility by the owner or operator of the aircraft without delay.

(ii) No aircraft will be given a major or minor overhaul.

(iii) Engine or air frame minor components may be furnished, when not available through commercial sources, provided such supplies can be spared and are not known to be in short supply. The issuance of such supplies must be approved by the commanding officer.

(iv) Minor components in short supply or major components for which there is a repeated demand can be furnished only on message authority obtained from the Aviation Supply Office, Philadelphia, PA (for continental facilities) or local fleet air command or major aviation supply depot (for extracontinental facilities). Complete engines, airplane wings, or other major items of equipment shall not be furnished under this authority.

(v) If the commanding officer believes it is desirable to furnish requested material or services in excess of the restrictions stated herein, he shall request instructions from the Chief of Naval Operations, giving a brief description of the material or services requested together with his recommendations.

(4) *Reimbursement for costs.* (i) The civil user making an emergency landing will be billed in accordance with paragraphs 032500-032503 of the NAVCOMPT Manual and paragraphs 25345-25363 of the NAVSUP Manual for payment of all costs incurred by the

Government as a direct result of the emergency landing. Such costs will include those associated with labor, material, rental of equipment, vehicles or tools, etc., for:

(a) Spreading foam on runway before the aircraft attempts emergency landing.

(b) Fire and crash control and rescue.

(c) Movement and storage of aircraft or wreckage.

(d) Damage to runway, lights, navigation aids, etc.

(ii) There will be no charge for naval meteorological services and naval communications facilities for the handling of arrival and departure reports, air traffic control messages, position reports and safety messages.

(iii) The determination as to whether landing fees shall be charged pursuant to an emergency landing for maintenance or repair shall be the prerogative of the commanding officer of the facility.

§ 766.6 Approving authority for landings at Navy/Marine Corps aviation facilities.

(a) Except as indicated in paragraphs (b) and (c) of this section, the commanding officer of an active Navy/Marine Corps aviation facility may approve or disapprove landings of civil aircraft at his facility when such landing is:

(1) Directly connected with or in support of U.S. Government business (except those listed in paragraph (c) of this section).

(2) In connection with U.S. Government or community interests on an infrequent basis when no adequate civil airport is reasonably available.

(3) By aircraft owned and operated by Navy/Marine Corps Flying Clubs or U.S. Army or Air Force Aero Clubs which are operated as instrumentalities of the U.S. Government.

(4) By aircraft owned and operated by U.S. Government personnel when such use is in accordance with § 766.4(b) (1) and (2).

(5) By civil aircraft either owned or personally chartered by:

Department of the Navy, DoD

§ 766.7

(i) The President or Vice President of the United States or a past President of the United States.

(ii) The head of any Federal department or agency.

(iii) A Member of Congress.

(6) By a bailed, leased, or loaned aircraft (as defined in § 766.2) when operated in connection with official business only.

(7) By aircraft owned and operated by States, counties, or municipalities of the United States when used for official business of the owner.

(b) Except as limited by paragraph (c) of this section, the Commander in Chief, U.S. Naval Forces, Europe; Chief of Naval Material; Commander in Chief, U.S. Atlantic Fleet; Commander in Chief, U.S. Pacific Fleet; Chief of Naval Air Training; Commander, Pacific Missile Range; Commander, Marine Corps Air Bases, Eastern Area; Commander, Marine Corps Air Bases, Western Area; and Commanding General, Fleet Marine Force, Pacific may approve civil aircraft use of any active aviation facility under their control. (At overseas locations, aircraft landing authorizations must be in consonance with the provisions of applicable international agreements.)

(c) The Chief of Naval Operations may approve any of the above requests, and is the only agency empowered to approve all other requests for use of naval facilities by civil and government aircraft, for example:

(1) Applications for use of more than one facility when the facilities are not under the control of one major command.

(2) Application for use of naval aviation facilities when participating in U.S. Government or Department of Defense single-manager contract and charter airlift operations; i.e., Military Airlift Command (MAC) or Military Traffic Management and Terminal Service (MTMTS).

(3) Application for a facility to be used as a regular civil airfield for a community, by either commercial or general aviation.

(4) Requests for use of a facility by foreign civil or government aircraft when:

(i) Such use is not covered by an agreement between the U.S. Govern-

ment and the government of the aircraft's registry, or

(ii) The facility is located in a country other than that in which the foreign aircraft is registered.

§ 766.7 How to request use of naval aviation facilities.

(a) *Forms required.* Each applicant desiring use of a Navy/Marine Corps aviation facility will be required to:

(1) Execute an application for an Aviation Facility License (OPNAV Form 3770/1 (Rev. 7-70)).

(2) Submit a Certificate of Insurance (NAVFAC 7-11011/36) showing coverage as provided by § 766.9 of this part.

(b) *Exceptions.* Exceptions to the foregoing requirements are:

(1) Aircraft owned and operated by departments or agencies of the U.S. Government for official business.

(2) Aircraft owned and operated or noncommercial purposes by agencies of a foreign government, except in cases where the foreign government charges fees for U.S. Government aircraft.

(3) Aircraft owned and operated by States, possessions, and territories of the United States and political subdivisions, thereof, when used for official business of the owner.

(4) Aircraft owned and operated by either Navy/Marine Corps Flying Clubs or Aero Clubs of other military services which are operated as instrumentalities of the U.S. Government.

(5) Bailed aircraft, provided the bailment contract specifies that the U.S. Government is the insurer for liability.

(c) *Obtaining forms.* The applicant may obtain the required forms listed in paragraph (a) of this section, from the commanding officer of any Navy or Marine Corps aviation facility or from the Chief of Naval Operations (OP-53C). Navy units may obtain the forms through regular supply channels as a Cog "I" item.

(d) *Preparation of forms.* (1) The license application will be completed in quadruplicate by the applicant in accordance with detailed instructions set forth in Aviation Facility License (OPNAV Form 3770/1 (REV. 7-70)).

(2) The Certificate of Insurance will be completed by the insurer. Only the signed original certificate and one copy are required to be submitted.
