**§ 32.205 Ineligible persons.**

Persons who are ineligible, as defined in § 32.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

**§ 32.210 Voluntary exclusion.**

Persons who accept voluntary exclusions under § 32.315 are excluded in accordance with the terms of their settlements. EPA shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

**§ 32.215 Exception provision.**

(a) EPA may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating

the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 32.200. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 32.505(a).

(b) Any agency head, or authorized designee, may except any Federal contract, subcontract, loan, assistance award or covered transaction, individually or as a class, in whole or in part, from the prohibitions otherwise applicable by reason of a CAA or CWA ineligibility. The agency head granting the exception shall notify the EPA Debarring Official of the exception as soon, before or after granting the exception, as may be practicable. The justification for such an exception, or any renewal thereof, shall fully describe the purpose of the contract or covered transaction, and show why the paramount interest of the United States requires the exception.

(c) The EPA Debarring Official is the official authorized to grant exceptions under this section for EPA.

A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.
