a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 32.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 32.325), except that the procedures of §§ 32.410 through 32.413 shall be used in imposing a suspension.

§ 32.430 Appeal.

(a) The suspension determination under § 32.413 shall be final. However, any party to the action may request the Director, Office of Grants and Debarment (OGD Director), to review the findings of the suspending official by filing a request with the OGD Director within 30 calendar days of the party's receipt of the suspension determination, or its reconsideration. The request must be in writing and set forth the specific reasons why relief should be granted.

(b) A review under this section shall be at the discretion of the OGD Director. If a review is granted, the suspending official may stay the effective date of a suspension order pending resolution of appeal. If a suspension is stayed, the stay shall be automatically lifted if the OGD Director affirms the suspension.

(c) The review shall be based solely upon the record. The OGD Director may set aside a determination only if it is found to be arbitrary, capricious, an abuse of discretion, or based upon a clear error of law.

(d) The OGD Director's subsequent determination shall be in writing and mailed to all parties.

(e) A determination under § 32.413 or a review under this section shall not be subject to a dispute or a bid protest under parts 30, 31, or 33 of this subchapter.
