§ 35.155

the extent to which each assistance program's funds support each program element. Insular Areas which choose to consolidate program assistance may be exempted from requirements of this subpart in accordance with Title V of Pub. L. 95-134.

§ 35.150 Evaluation of recipient performance.

The Regional Administrator will oversee each recipient's performance under an assistance agreement. In consultation with the applicant, the Regional Administrator will develop a process for evaluating the recipient's performance. The Regional Administrator will include the schedule for evaluation in the assistance agreement and will evaluate recipient performance and progress toward completing the outputs in the approved work program according to the schedule. The Regional Administrator will provide the evaluation findings to the recipient and will include them in the official assistance file. If the evaluation reveals that the recipient is not achieving one or more of the conditions of the assistance agreement, the Regional Administrator will attempt to resolve the situation through negotiation. If agreement is not reached, the Regional Administrator may impose any of the sanctions in 40 CFR part 30.

§ 35.155 Reallocation.

EPA has responsibility and authority for managing all financial assistance funds effectively. To better achieve the goals of the Clean Water Act, 205(g) reserves which have not been awarded will be returned to the State's construction grant allotment to support eligible construction activities except as provided in paragraph (c) of this section; 205(j) reserves which have not been awarded during the period of availability to the State will be reallocated to other States as construction grant funds. These funds are administered under § 35.2010 of this subchapter and are not available for reallocation under this section. For the other environmental programs, EPA will consider reallocating any unawarded funds to achieve the objectives for which Congress appropriated them.

(a) *Funds remaining after initial award.* Funds remaining in a State's allotment after an initial assistance award and commitment to that State for that year may be awarded by the Regional Administrator to any eligible applicant during the Federal fiscal year. At the end of the year, funds not awarded by the Regional Administrator will be reallocated by the Administrator to accomplish the objectives of that program.

(1) The Regional Administrator may use such funds to make supplementary awards to that State for that program.

(2) Subject to any limitations contained in appropriations acts, the Regional Administrator may use such funds to support a Federal program required by law in that State in the absence of an acceptable State program.

(3) The Regional Administrator may also use such funds to supplement awards for that program to other eligible applicants within the Region.

(b) *Funds available because of no award.* Funds remaining in a State's allotment because there is no assistance award to that State in that year may be used in two ways.

(1) First, subject to any limitations contained in appropriations acts, the Regional Administrator may use such funds to support a Federal program required by law in that State in the absence of an acceptable State program.

(2) Otherwise, the Administrator will reallocate any available program funds to accomplish the objectives of that program.

(c) Public Water System Supervision and Underground Water Source Protection funds reserved for use on Indian lands which are not awarded to specific Indian Tribes by February 1 of a fiscal year, may be reallocated by the Administrator for supplementary awards to eligible Indian Tribes or to EPA regions for purposes of direct implementation on Indian lands.

(d) Beginning in FY 1990, on July 1 of each fiscal year, funds reserved under sections 106, 205(j)(1), 205(j)(5), and 319 of the Clean Water Act for eligible Indian Tribes, which have not been awarded by the Regional Administrator, shall be reallocated nationally by the Administrator for awards to other eligible Indian Tribes.
