

## § 6.102

## 40 CFR Ch. I (7-1-00 Edition)

to throughout this regulation by reference to 40 CFR part 1500 *et al.*

(c) The term *environmental review* means the process whereby an evaluation is undertaken by EPA to determine whether a proposed Agency action may have a significant impact on the environment and therefore require the preparation of the EIS.

(d) The term *environmental information document* means any written analysis prepared by an applicant, grantee or contractor describing the environmental impacts of a proposed action. This document will be of sufficient scope to enable the responsible official to prepare an environmental assessment as described in the remaining subparts of this regulation.

(e) The term *grant* as used in this part means an award of funds or other assistance by a written grant agreement or cooperative agreement under 40 CFR chapter I, subpart B.

### § 6.102 Applicability.

(a) *Administrative actions covered.* This part applies to the activities of EPA in accordance with the outline of the subparts set forth below. Each subpart describes the detailed environmental review procedures required for each action.

(1) Subpart A sets forth an overview of the regulation. Section 6.102(b) describes the requirements for EPA legislative proposals.

(2) Subpart B describes the requirements for the content of an EIS prepared pursuant to subparts E, F, G, H, and I.

(3) Subpart C describes the requirements for coordination of all environmental laws during the environmental review undertaken pursuant to subparts E, F, G, H, and I.

(4) Subpart D describes the public information requirements which must be undertaken in conjunction with the environmental review requirements under subparts E, F, G, H, and I.

(5) Subpart E describes the environmental review requirements for the wastewater treatment construction grants program under Title II of the Clean Water Act.

(6) Subpart F describes the environmental review requirements for new source National Pollutant Discharge

Elimination System (NPDES) permits under section 402 of the Clean Water Act.

(7) Subpart G describes the environmental review requirements for research and development programs undertaken by the Agency.

(8) Subpart H describes the environmental review requirements for solid waste demonstration projects undertaken by the Agency.

(9) Subpart I describes the environmental review requirements for construction of special purpose facilities and facility renovations by the Agency.

(b) *Legislative proposals.* As required by the CEQ Regulations, legislative EISs are required for any legislative proposal developed by EPA which significantly affects the quality of the human environment. A preliminary draft EIS shall be prepared by the responsible EPA office concurrently with the development of the legislative proposal and contain information required under subpart B. The EIS shall be processed in accordance with the requirements set forth under 40 CFR 1506.8.

(c) *Application to ongoing activities—*

(1) *General.* The effective date for these regulations is December 5, 1979. These regulations do not apply to an EIS or supplement to that EIS if the draft EIS was filed with the Office of External Affairs, (OEA) before July 30, 1979. No completed environmental documents need be redone by reason of these regulations.

(2) With regard to activities under subpart E, these regulations shall apply to all EPA environmental review procedures effective December 15, 1979. However, for facility plans begun before December 15, 1979, the responsible official shall impose no new requirements on the grantee. Such grantees shall comply with requirements applicable before the effective date of this regulation. Notwithstanding the above, this regulation shall apply to any facility plan submitted to EPA after September 30, 1980.
