

§ 63.1434

40 CFR Ch. I (7-1-00 Edition)

site waste and recovery operations in 40 CFR part 63, subpart DD, with respect to the received material.

(b) *Maintenance wastewater.* The owner or operator of each affected source shall comply with the HON maintenance wastewater requirements in § 63.105, with the exceptions noted in paragraphs (b) (1), (2), and (3) of this section.

(1) When the HON maintenance wastewater provisions in § 63.105(a) refer to "organic HAPs listed in Table 9 of subpart G of this part," the owner or operator is only required to consider compounds that meet the definition of *organic HAP* in § 63.1423 and that are listed in Table 9 of 40 CFR part 63, subpart G, for the purposes of this subpart.

(2) When the term "maintenance wastewater" is used in the HON maintenance wastewater provisions in § 63.105, the definition of "maintenance wastewater" in § 63.1423 shall apply, for the purposes of this subpart.

(3) When the term "wastewater" is used in the HON maintenance wastewater provisions in § 63.105, the definition of "wastewater" in § 63.1423 shall apply, for the purposes of this subpart.

(c) *Compliance date.* The compliance date for the affected source subject to the provisions of this section is specified in § 63.1422.

[64 FR 29439, June 1, 1999, as amended at 65 FR 26501, May 8, 2000]

EFFECTIVE DATE NOTE: At 65 FR 26501, May 8, 2000, § 63.1433 was amended by revising paragraphs (a)(1), (a)(2), (a)(5), (a)(7), (a)(8), and (b)(1), effective July 7, 2000. For the convenience of the user, the superseded text is set forth as follows:

§ 63.1433 Wastewater provisions.

(a) * * *

(1) Owners and operators of affected sources are not required to comply with the HON new source wastewater requirements in § 63.132(b)(1) and § 63.132(d), for the purposes of this subpart. Owners or operators of all new affected sources, as defined in this subpart, shall comply with the HON requirements for existing sources in §§ 63.132 through 63.149.

(2) When the HON requirements in §§ 63.132 through 63.149 refer to Table 9 or Table 36 of 40 CFR part 63, subpart G, the owner or operator is only required to consider organic HAP listed in Table 9 or Table 36 of 40 CFR part 63, subpart G, that are also listed on Table 4 of this subpart, for the purposes of

this subpart. Owners and operators are exempt from all requirements in §§ 63.132 through 63.149 that pertain solely and exclusively to organic HAP listed on Table 8 of 40 CFR part 63, subpart G. In addition, when §§ 63.132 through 63.149 refer to List 1 or List 2, as listed in Table 36 of 40 CFR part 63, subpart G, the owner or operator is only required to consider organic HAP contained in those lists that are also listed on Table 4 of this subpart, for the purposes of this subpart.

* * * * *

(5) When the HON process wastewater reporting requirements in § 63.146(a) require the submission of a request for approval to monitor alternative parameters according to the procedures specified in § 63.151(g) or § 63.152(e), the owner or operator requesting to monitor alternative parameters shall follow the procedures specified in § 63.1439(f), for the purposes of this subpart.

* * * * *

(7) When the HON requirements in §§ 63.132 through 63.149 refer to an "existing source," the term "existing affected source," as defined in § 63.1420(a)(3) shall apply, for the purposes of this subpart.

(8) When the HON requirements in §§ 63.132 through 63.149 refer to a "new source," the term "new affected source," as defined in § 63.1420(a)(4) shall apply, for the purposes of this subpart.

* * * * *

(b) * * *

(1) When the HON maintenance wastewater provisions in § 63.105(a) refer to "organic HAPs," the definition of "organic HAP" in § 63.1423 shall apply, for the purposes of this subpart.

* * * * *

§ 63.1434 Equipment leak provisions.

(a) The owner or operator of each affected source shall comply with the HON equipment leak requirements in 40 CFR part 63, subpart H for all equipment in organic HAP service, except as specified in paragraphs (b) through (g) of this section.

(b) The compliance date for the equipment leak provisions in this section is provided in § 63.1422(d).

(c) Affected sources subject to the HON equipment leak provisions in 40 CFR part 63, subpart I shall continue to comply with 40 CFR part 63, subpart I until the compliance date specified in

§ 63.1422. After the compliance date in § 63.1422, the source shall be subject to this subpart (40 CFR part 63, subpart PPP), and shall no longer be subject to 40 CFR part 63, subpart I. However, sources subject to 40 CFR part 63, subpart I that have elected to comply through a quality improvement program, as specified in the HON quality improvement plans for valves or pumps in § 63.175 or § 63.176 or both, may elect to continue these programs without interruption as a means of complying with this subpart. In other words, becoming subject to this subpart does not restart or reset the “compliance clock” as it relates to reduced burden earned through a quality improvement program.

(d) When the HON equipment leak Initial Notification requirements contained in § 63.182(a)(1) and § 63.182(b) are referred to in 40 CFR part 63, subpart H, the owner or operator shall comply with the Initial Notification requirements contained in § 63.1439(e)(3), for the purposes of this subpart. The Initial Notification shall be submitted no later than June 1, 2000 for existing sources, as stated in § 63.1439(e)(3)(ii)(A).

(e) The HON equipment leak Notification of Compliance Status required by § 63.182(a)(2) and § 63.182(c) shall be submitted within 150 days (rather than 90 days) of the applicable compliance date specified in § 63.1422 for the equipment leak provisions. The notification may be submitted as part of the Notification of Compliance Status required by § 63.1439(e)(5).

(f) The Periodic Reports required by § 63.182(a)(3) and § 63.182(d) may be submitted as part of the Periodic Reports required by § 63.1439(e)(6).

(g) If specific items of equipment, comprising part of a process unit subject to this subpart, are managed by different administrative organizations (e.g., different companies, affiliates, departments, divisions, etc.), those items of equipment may be aggregated with any PMPU within the affected source for all purposes under subpart H, providing there is no delay in achieving the applicable compliance date.

(h) The phrase “the provisions of subparts F, I, or PPP of this part” shall

apply instead of the phrase “the provisions of subparts F or I of this part,” and instead of the phrase “the provisions of subpart F or I of this part” throughout §§ 63.163 and 63.168, for the purposes of this subpart. In addition, the phrase “subparts F, I, and PPP” shall apply instead of the phrase “subparts F and I” in § 63.174(c)(2)(iii), for the purposes of this subpart.

EFFECTIVE DATE NOTE: At 65 FR 26501, May 8, 2000, § 63.1434 is amended by removing and reserving paragraph (c), effective July 7, 2000.

§ 63.1435 Heat exchanger provisions.

(a) The owner or operator of each affected source shall comply with the requirements of § 63.104 for heat exchange systems, with the exceptions noted in paragraphs (b) through (e) of this section.

(b) When the term “chemical manufacturing process unit” is used in § 63.104, the term “polyether polyols manufacturing process unit” shall apply for the purposes of this subpart. Further, when the phrase “a chemical manufacturing process unit meeting the conditions of § 63.100(b)(1) through (3) of this subpart, except for chemical manufacturing process units meeting the condition specified in § 63.100(c) of this subpart” is used in § 63.104(a), the term “PMPU, except for PMPU meeting the conditions specified in § 63.1420(b)” shall apply for the purposes of this subpart.

(c) When the HON heat exchange system requirements in § 63.104(c)(3) specify the monitoring plan retention requirements, and when § 63.104(f)(1) refers to the record retention requirements in § 63.103(c)(1), the provisions of the general recordkeeping and reporting requirements in § 63.1439(a) and the applicable provisions of the General Provisions in 40 CFR part 63, subpart A, as specified in Table 1 of this subpart, shall apply for the purposes of this subpart.

(d) When the HON heat exchange system requirements in § 63.104(f)(2) require information to be reported in the Periodic Reports required by the HON general reporting provisions in § 63.152(c), the owner or operator shall
