### § 101-19.607 Reporting.

(a) Annually each administering agency shall prepare and submit to the Administrator of General Services reports covering all projects subject to the requirements of this subpart 101-19.6 for which funds have been appropriated or for which a contract, grant, or loan has been approved (whichever is applicable) and which are still under design or construction, or buildings for which lease contracts have been awarded. Once a project has been reported as being occupied, it need not be included in subsequent reports. Lease projects need to be reported only during the period in which the award was made. All reports should be prepared on GSA Form 2974, Status Report for Federally Funded or Leased Buildings—Accommodation of Physically Handicapped. Interagency reports control number 0031-GSA-AN has been assigned to this report.

(b) The annual reporting period, for purposes of this requirement, ends on the last day of August. Reports will be due on the fifteenth calendar day of the following month. The initial report will cover facilities subject to this reporting requirement during the period from September 1, 1981, through August 31, 1982.

(c) Reports will be used for surveys and investigations to ensure compliance with The Architectural Barriers Act, as amended, pursuant to the requirements of the act.
