

systems, window shades, door locks, and door title cards.

(e) Cyclic paintings of agency occupied space once every five years, and paintings of public areas once every three years, if needed.

(f) Maintenance of all safety and fire protection devices, equipment, and systems in a state of readiness in conformance with applicable laws, regulations, and standards.

(g) Maintenance of all food service activities in accordance with applicable U.S. Public Health Service standards and local regulations.

(h) Arrangements for raising and lowering the United States flags at appropriate times.

§ 101-20.103 Physical protection and building security.

§ 101-20.103-1 Standard protection.

For properties under its custody and control, GSA will provide standard protection services by:

(a) Responding to criminal occurrences, incidents, and lifethreatening events through the use of Federal Protective Officers and local law enforcement officers where a response agreement is in effect.

(b) Installing and maintaining perimeter security devices and systems if they are monitored to provide timely response by authorized personnel;

(c) Implementing crime prevention activities, including tenant awareness programs;

(d) Investigating crimes and violations of Federal statutes, recording and evaluating reports of criminal incidents, and referring findings and evidence to appropriate enforcement agencies;

(e) Entering into cooperative agreements with local law enforcement agencies;

(f) Performing physical security surveys and providing security advisory services; or

(g) Coordinating a comprehensive Occupant Emergency Program.

(h) Periodically evaluating the effectiveness of protection services by in-depth inspections of procedures and records.

§ 101-20.103-2 Special protection.

The degree of protection beyond standard levels required by the nature of an agency's activities or by unusual public reaction to an agency's programs will be determined jointly by GSA and the occupant agency. Special protection will be provided on a reimbursable basis. The level of special protection will be determined on a facility-by-facility basis, after the conducting of appropriate security surveys and crime prevention assessments. In such determinations, GSA and occupant agencies will consider:

(a) The characteristics of the facility, including size, configuration, exterior lighting, and presence of physical barriers;

(b) The location of the facility and the history of criminal or disruptive incidents in the surrounding neighborhoods; and

(c) The reimbursable funding and resources available to GSA for provision of protective service.

(d) Tenant agency's mission.

§ 101-20.103-3 Responsibilities of occupant agencies.

Occupants of facilities under the custody and control of GSA shall:

(a) Cooperate to the fullest extent with all pertinent facility procedures and regulations;

(b) Promptly report all crimes and suspicious circumstances occurring on GSA-controlled property to the regional Law Enforcement Branch and other designated law enforcement agencies and then through internal agency channels;

(c) Provide training to employees regarding protection and responses to emergency situations; and

(d) Make recommendations for improving the effectiveness of protection in Federal facilities.

§ 101-20.103-4 Occupant Emergency Program.

(a) The Designated Official (as defined in § 101-20.003(g)) is responsible for developing, implementing, and maintaining an Occupant Emergency Plan

(as defined in §101-20.003(w)). The Designated Official's responsibilities include establishing, staffing, and training an Occupant Emergency Organization with agency employees. GSA shall assist in the establishment and maintenance of such plans and organizations.

(b) All occupant agencies of a facility shall fully cooperate with the Designated Official in the implementation of the emergency plans and the staffing of the emergency organization.

(c) GSA shall provide emergency program policy guidance, shall review plans and organizations annually, shall assist in training of personnel, and shall otherwise ensure proper administration of Occupant Emergency Programs (as defined in §101-20.003(x)). In leased space, GSA will solicit the assistance of the lessor in the establishment and implementation of plans.

(d) In accordance with established criteria, GSA shall assist the Occupant Emergency Organization (as defined in §101-20.003(v)) by providing technical personnel qualified in the operation of utility systems and protective equipment.

[52 FR 11263, Apr. 8, 1987; 52 FR 24158, July 29, 1987]

§101-20.103-5 Initiating action under Occupant Emergency Programs.

(a) The decision to activate the Occupant Emergency Organization shall be made by the Designated Official, or by the designated alternate official. Decisions to activate shall be based upon the best available information, including an understanding of local tensions, the sensitivity of target agency(ies), and previous experience with similar situations. Advice shall be solicited, when possible, from the GSA buildings manager, from the appropriate Federal Protective Service official, and from Federal, State, and local law enforcement agencies.

(b) When there is immediate danger to persons or property, such as fire, explosion, or the discovery of an explosive device (not including a bomb threat), occupants shall be evacuated or relocated in accordance with the plan without consultation. This shall be accomplished by sounding the fire alarm system or by other appropriate means.

(c) When there is advance notice of an emergency, the Designated Official shall initiate appropriate action according to the plan.

(d) After normal duty hours, the senior Federal official present shall represent the Designated Official or his/her alternates and shall initiate action to cope with emergencies in accordance with the plans.

§101-20.104 Parking facilities.

(a) Parking facilities shall be compatible with the character of neighborhoods and consistent with local planning requirements. They shall not adversely affect the use or appearance of property, and shall not create traffic hazards.

(b) As necessary or upon agency request, GSA may provide for the regulation and policing of parking facilities. GSA will consult with primary occupant agencies prior to implementing procedural changes. Such regulation and policing may include:

(1) The issuance of traffic rules and regulations;

(2) The installation of signs and markings for traffic control. (Signs and markings shall be in conformance with the Manual on Uniform Traffic Control Devices published by the Department of Transportation);

(3) The issuance of citations for parking violations; and

(4) The immobilization or removal of illegally parked vehicles.

(c) When the use of parking space is controlled as in paragraph (b) of this section, all privately owned vehicles other than those authorized to use designated visitor or service areas must display a parking permit. This requirement may be waived in parking facilities where the number of available space regularly exceeds the demand for such spaces.

(d) GSA may delegate the responsibility for management, regulation, and policing of parking facilities by agreement with occupant agencies or by contractual arrangements with lessors or parking management contractors. Where possible, existing contracts shall be amended or modified before renewal to conform with the policies of this regulation.
