

Federal Property Management Regulations

§ 101-39.100

management systems for transportation of property or passengers, and for furnishing such motor vehicles and related services to executive agencies. The exercise of this authority is subject to regulations issued by the President, which are set forth in Executive Order 10579, dated November 30, 1954.

§ 101-39.002 Applicability.

The regulations in this part apply to all executive agencies of the Federal Government to the extent provided in the Act.

§ 101-39.003 Financing.

(a) Section 211(d) of the Federal Property and Administrative Services Act, 1949, as amended, provides that the General Supply Fund, provided for in section 109 of the Act, shall be available for use by or under the direction and control of the Administrator of General Services for paying all elements of cost incident to the establishment, maintenance, and operation of fleet management systems.

(b) When an agency other than GSA operates an interagency fleet management system, the financing and accounting methods shall be developed by GSA in cooperation with the agency concerned.

Subpart 101-39.1—Establishment, Modification, and Discontinuation of Interagency Fleet Management Systems

§ 101-39.100 General.

GSA will conduct studies of the operation and costs of motor vehicle and motor vehicle services in selected geographical areas to determine the advis-

ability of establishing fleet management systems.

(a) Based on these studies, the Administrator of General Services, with the assistance of the affected agencies, shall develop necessary data and cost statistics for use in determining the feasibility of establishing a fleet management system in the geographical area studied.

(b) If the Administrator, GSA, determines that a fleet management system shall be established, a formal determination is prepared to that effect.

(c) In the event the Administrator, GSA, decides that the establishment of a fleet management system is not feasible, the head of each agency concerned will be notified.

(d) In the making of determinations for the establishment of fleet management systems, the Administrator, GSA, will, to the extent consistent with the provisions of section 1(b) of Executive Order 10579, observe the policies outlined in the Office of Management and Budget (OMB) Circular A-76, for the utilization of commercial facilities.

(e) Except as provided in this subpart, all Government motor vehicles subsequently acquired for official purposes by fully participating agencies which are stored, garaged, or operated within the defined mandatory use service area of a fleet management system shall also be consolidated into and operated under the control of that system.

(f) Fleet management systems established under this subpart provide for furnishing motor vehicles and related services to executive agencies. So far as practicable, these services will also be furnished to any mixed-ownership corporation, the District of Columbia, or a contractor authorized under the provisions of Federal Acquisition Regulation, 48 CFR part 51, subpart 51.2, upon request. Such services may be furnished, as determined by the Administrator, GSA, through the use, under rental or other arrangements, of motor vehicles of private fleet operators, commercial companies, local or interstate common carriers, or Government-
